# Formats of advertising

Native advertising (what is it?)

Interactive special projects

Banners

Advertising integrations in our YouTube projects

Video banners

# Native advertising

# Short news

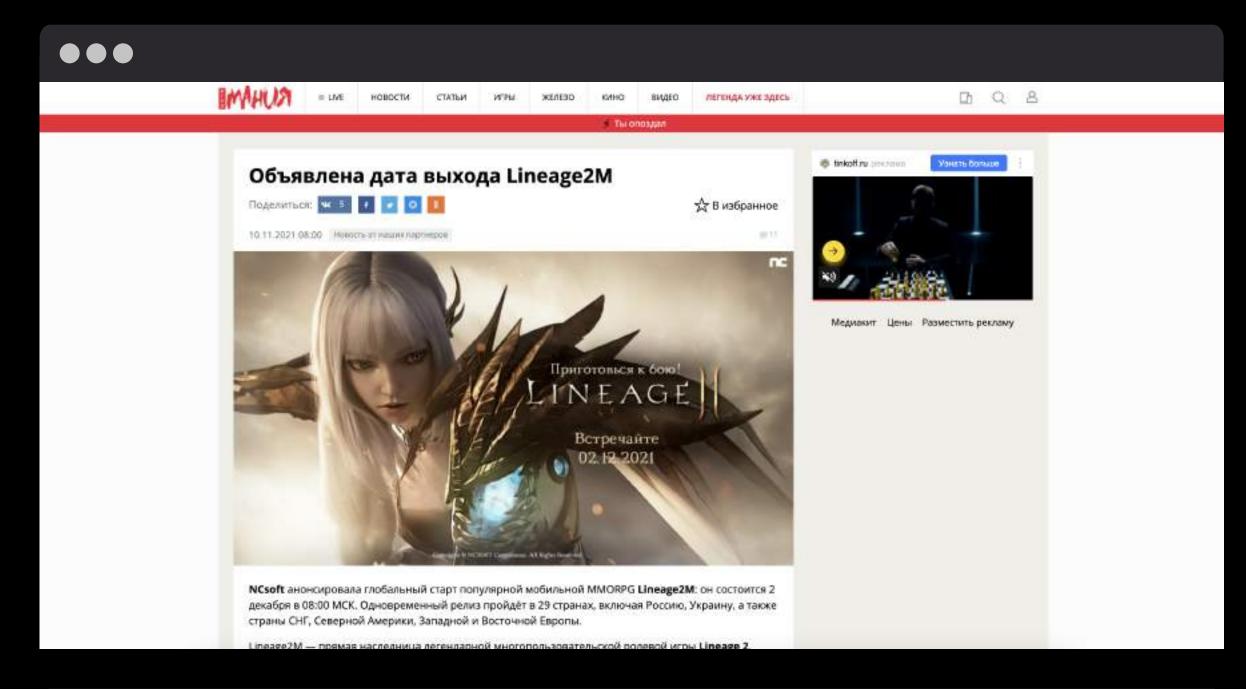

Short news is the simplest text format. It is suitable for telling about an important or interesting event that has recently happened or is about to happen.

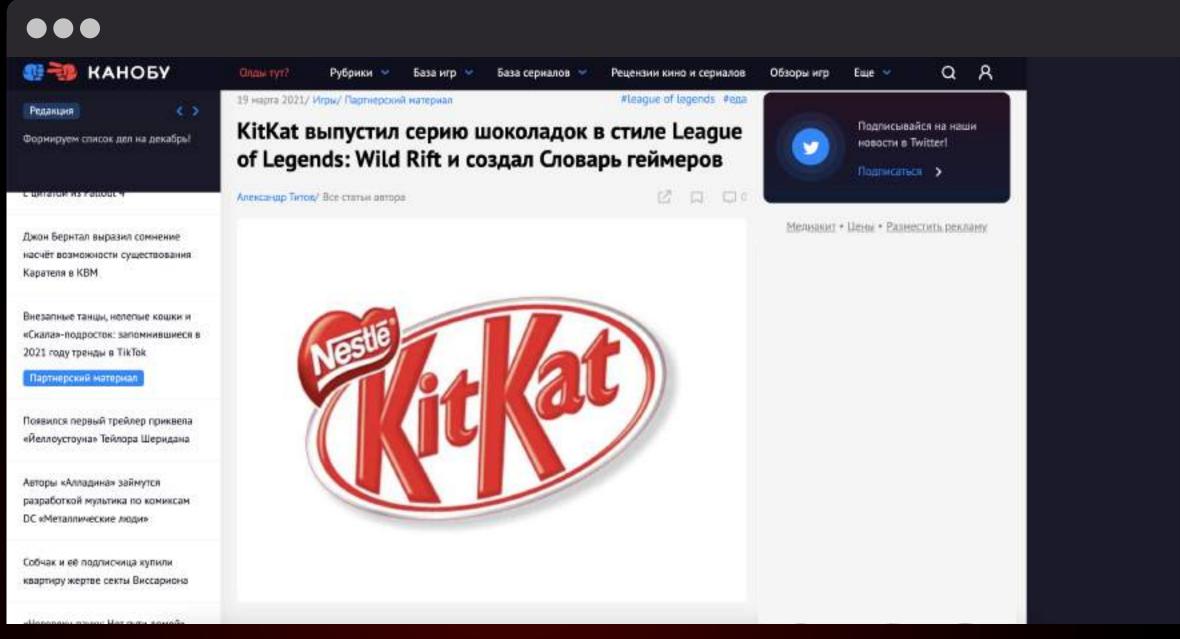

- From 7000 views
- The whole text is dedicated to the partner's brand or product, contains a link, a picture or a video

- ineage2M
- KitKat

### Detailed news

Detailed news is an inverted pyramid news format: key message → details → background and context.

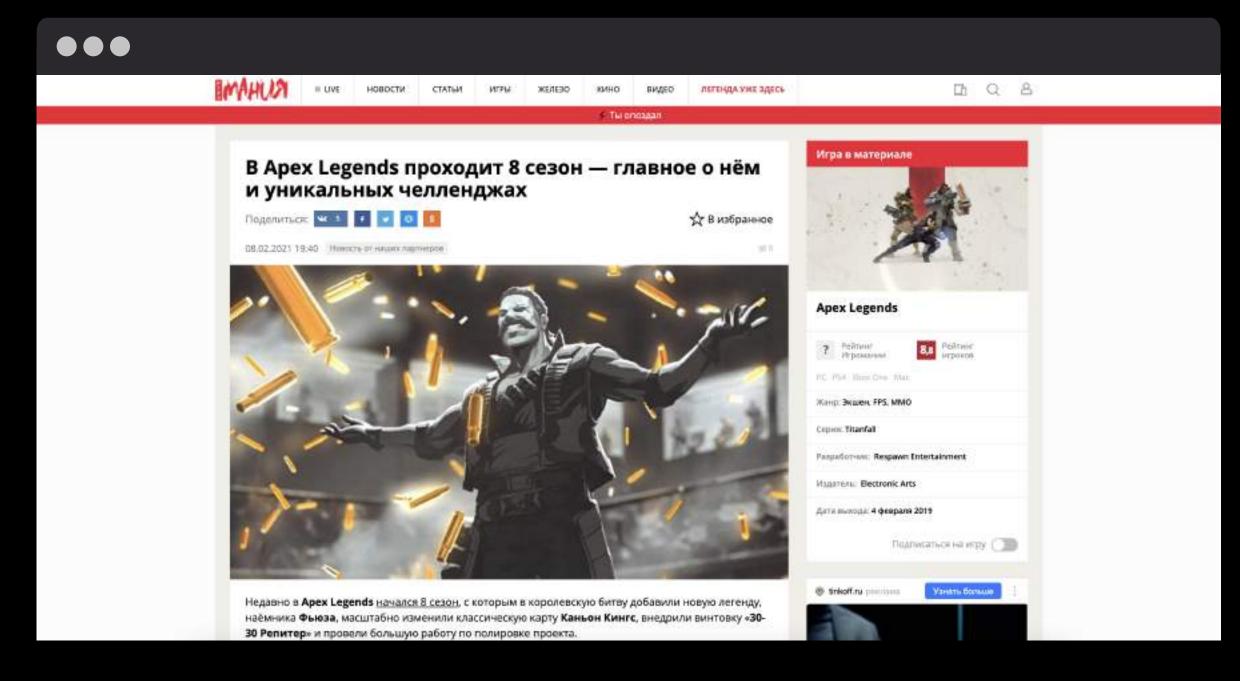

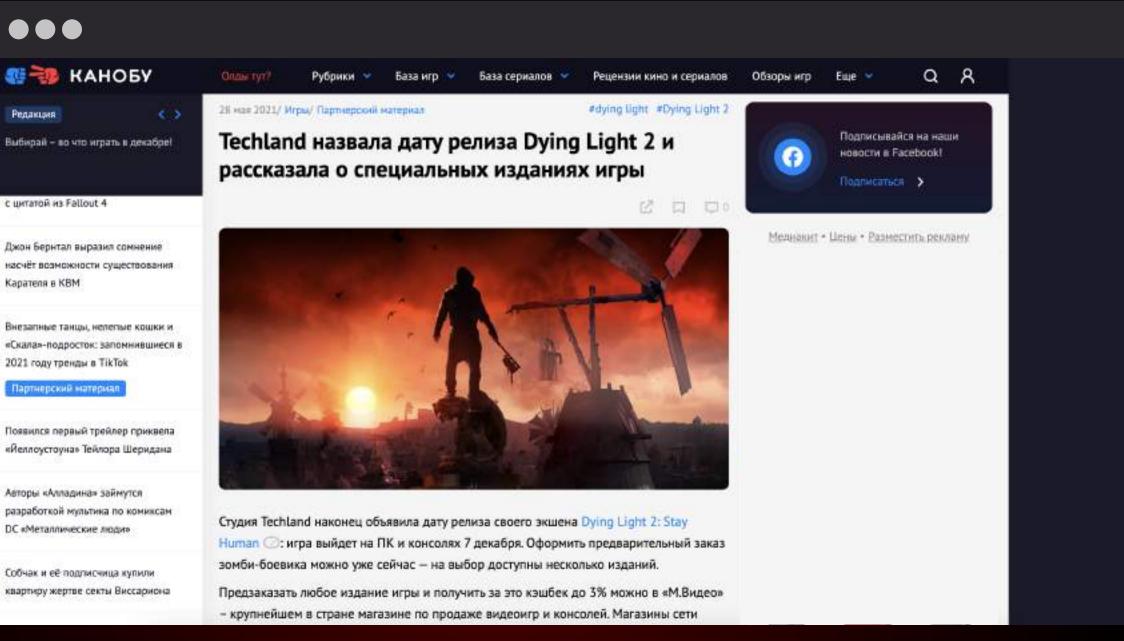

- From 20 000 views
- The whole text is dedicated to the partner's brand or product, contains a link, a picture or a video

- Apex Legends
- Dying Light 2
- Epic Games
- Lineage2M

#### Featured articles and checklists

10 ways to go there, 5 reasons to stay here, 7 reasons to do it, 3 options to buy it now. Infinitely popular format

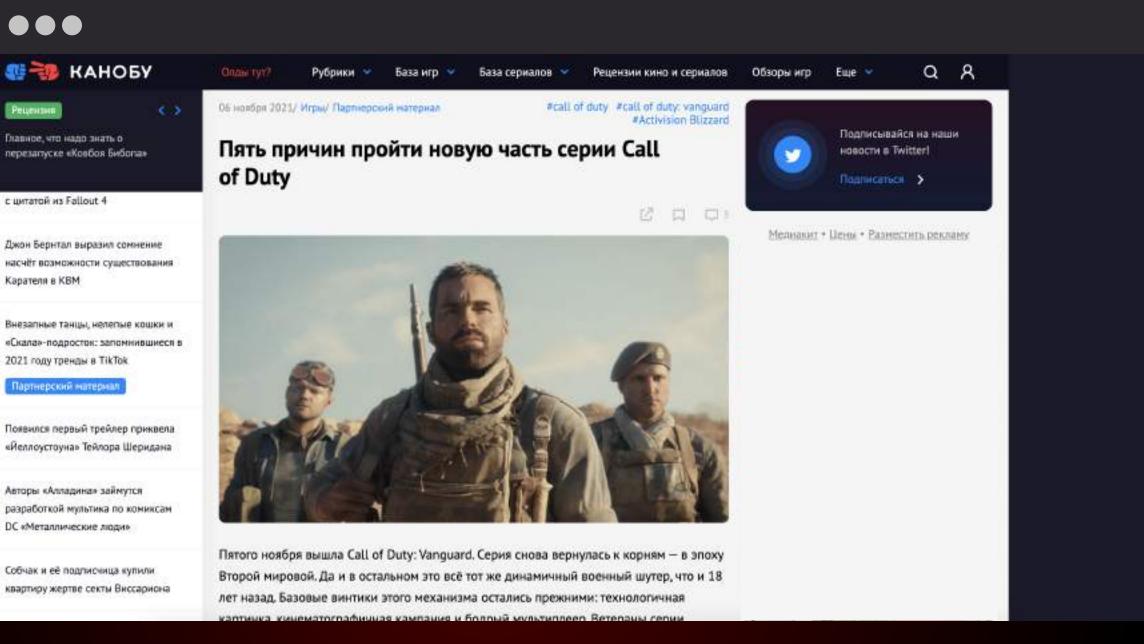

- From 20 000 views
- We write about the partner in 3-4 paragraphs in different parts of the article (with links) and highlight the text about the partner

# Guides, instructions, explanations

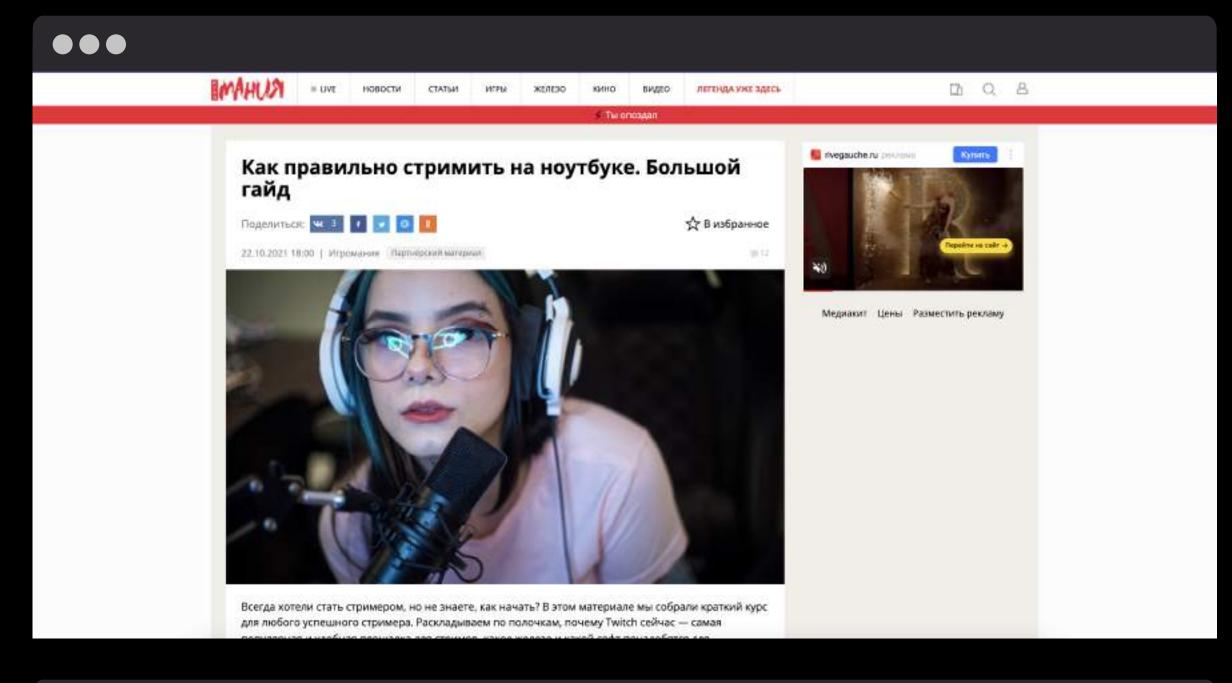

Helpful articles, step-by-step explanations of complex processes. This format includes everything that answers the question "how to do this?"

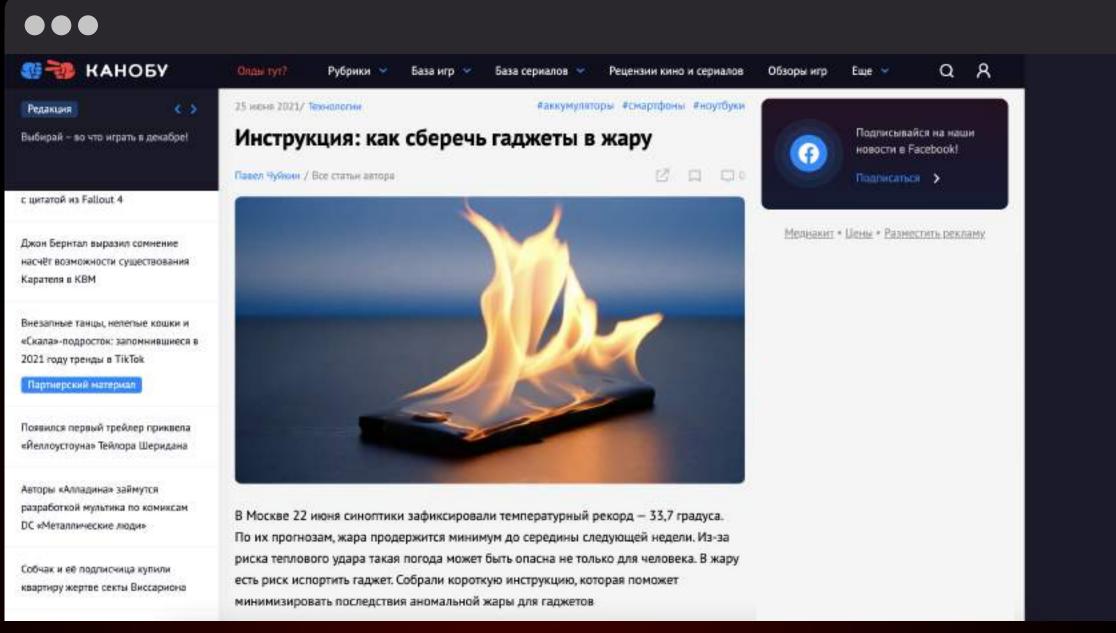

- From 20 000 views
- We write about the partner in 3-4 paragraphs in different parts of the article (with links) and highlight the text about the partner

The example:

# Personal experience of the author

Author's material about the experience of using a product or a service. Expectations and impressions → pros and cons → recommendations → a verdict.

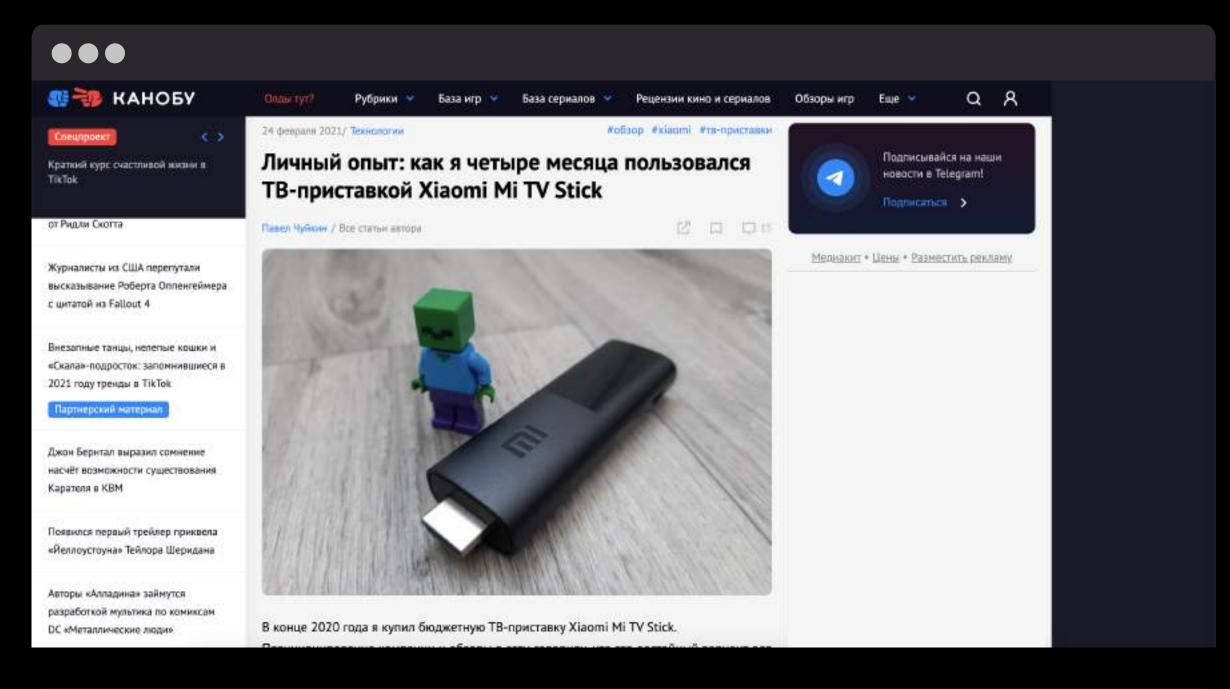

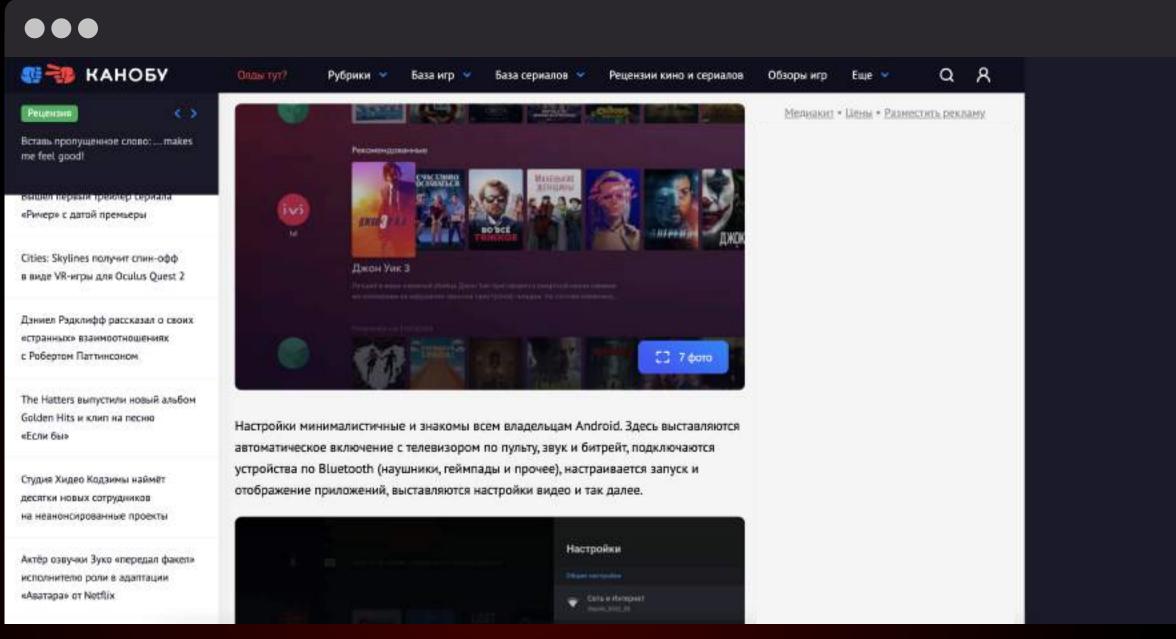

**ONLY HERE** 

- From 20 000 views
- We can test your service or product. The whole text will be dedicated to it.
- Alternatively, we can test a related product or service. In this case we write about the you in 3-4 paragraphs inthe article (with links).

The example:

JBL

# "Iron workshop"

It is rubric for geeks. Each issue is dedicated to one new gadget. We test processors, video cards, desktops and laptops, peripherals, accessories etc.

We release each project as an article in Igromania.

Before publishing, we will test your gadget honestly. The test will take a long time.

# RUHAMB

**ONLY HERE** 

- From 20 000 views for text
- Full testing from appearance to assembly

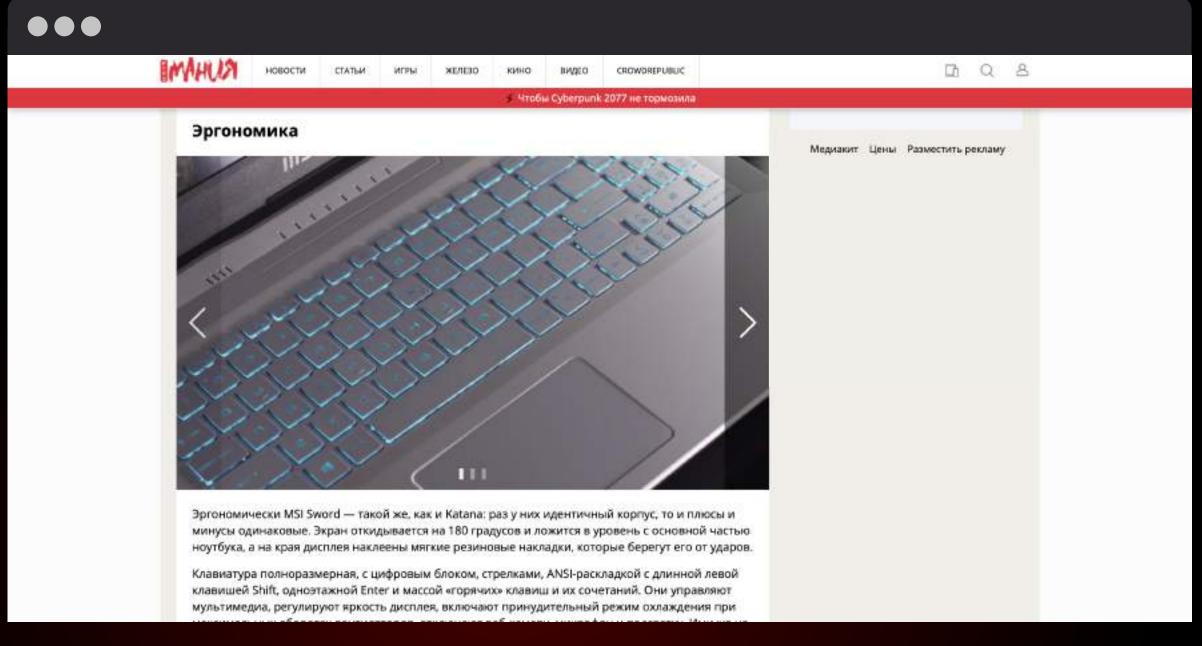

#### Examples:

MSI

Salute TV

Del

# Other article options

We have listed many different options for articles. But these are not all of our formats. We are constantly trying to come up with new storytelling methods.

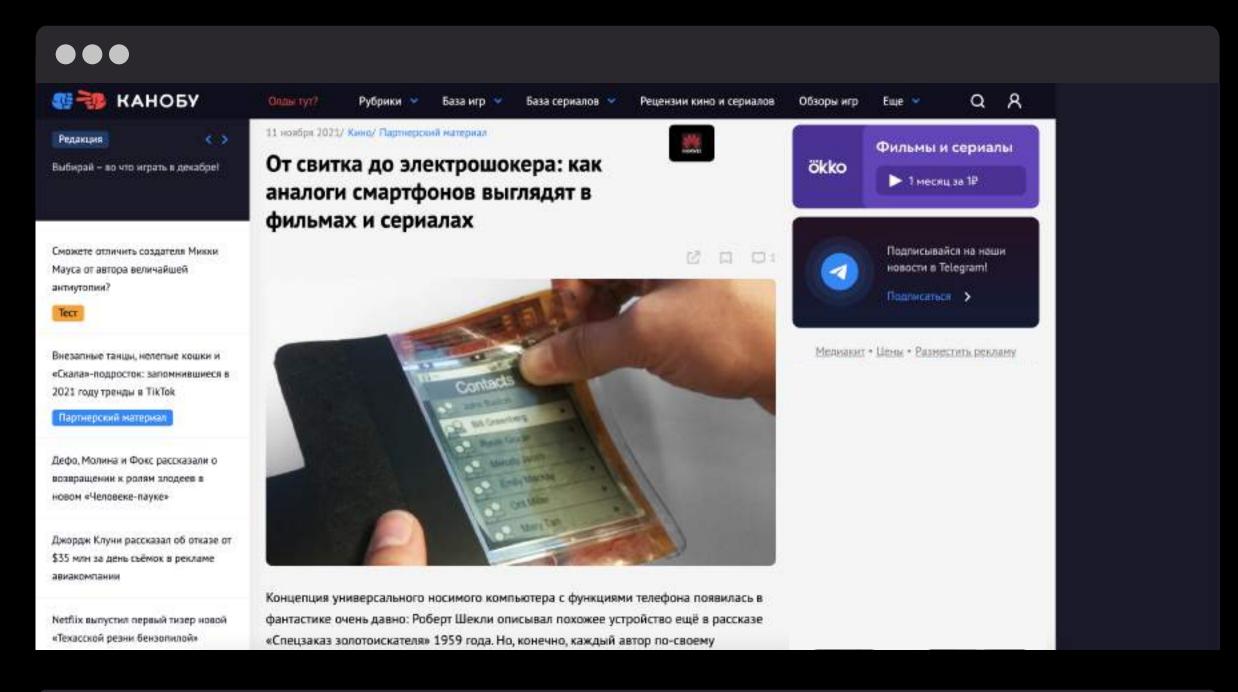

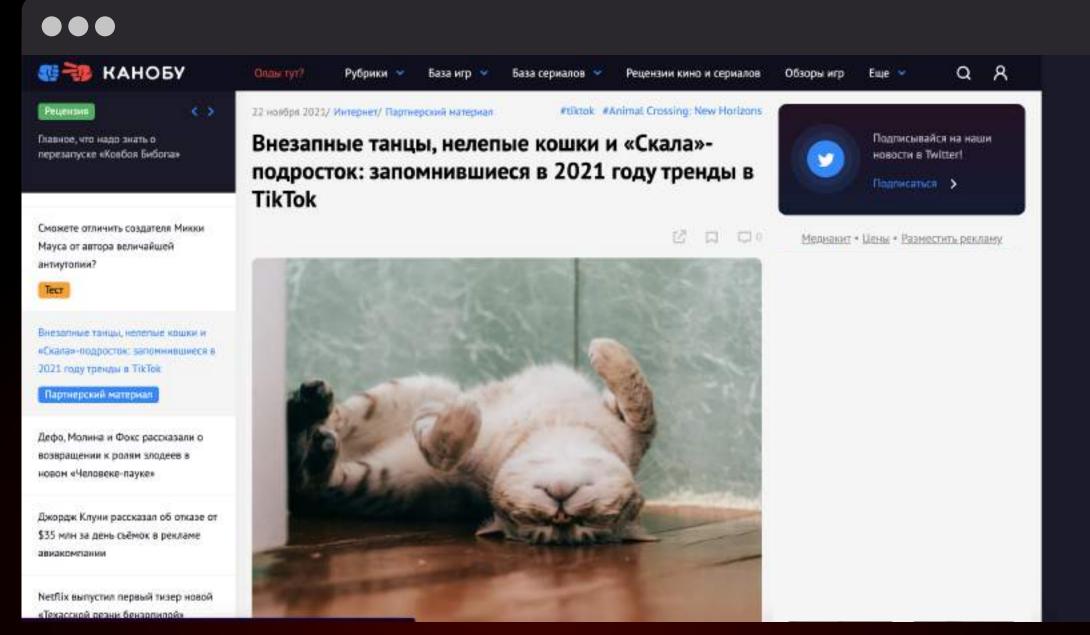

- From 20 000 views (under discussions)
- The previously mentioned partner integration options (under discussions).

- Huawei

# Branded block inside the material

ONLY HERE

NEW

an additional option

**КАНОБУ** 

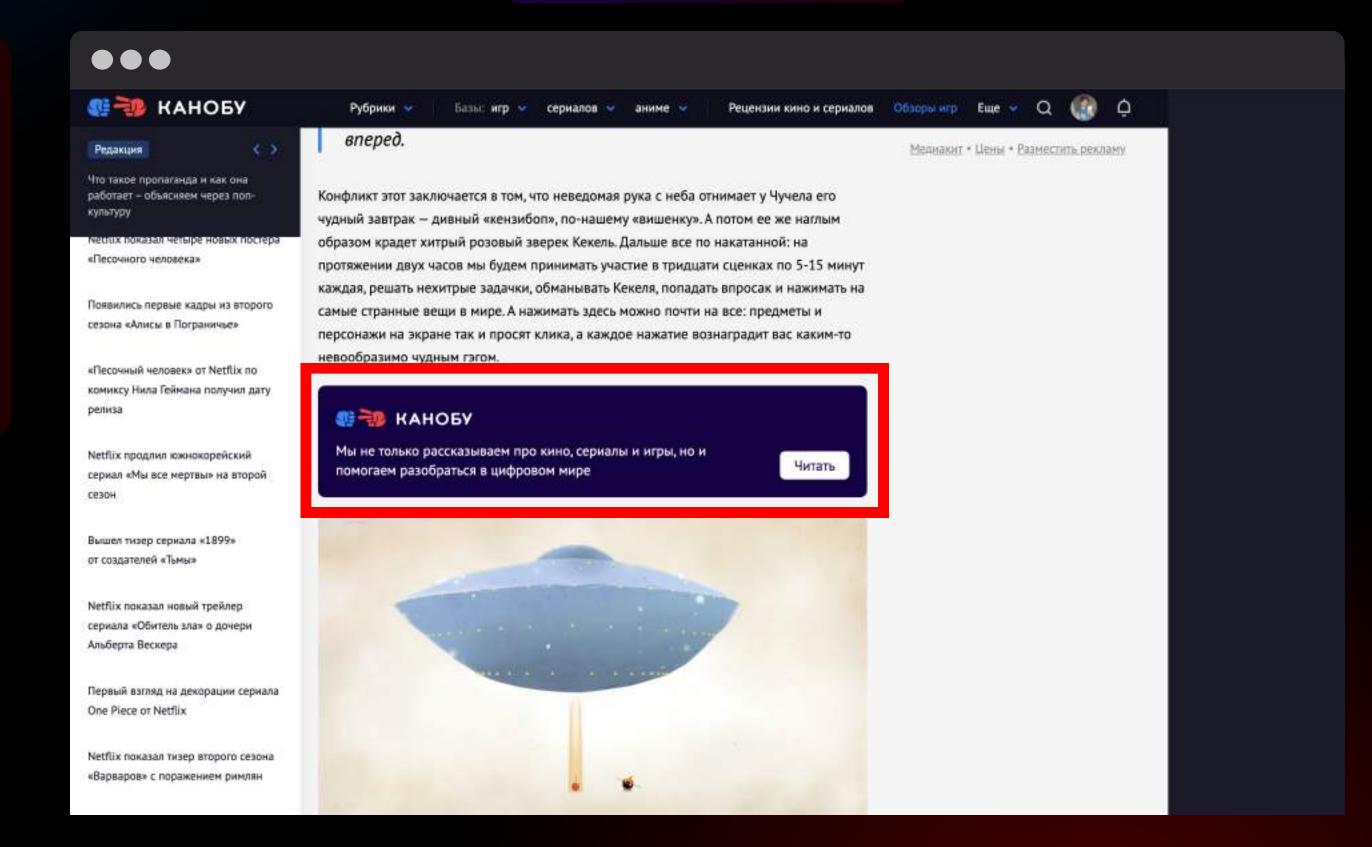

A block branded in the partner's colors

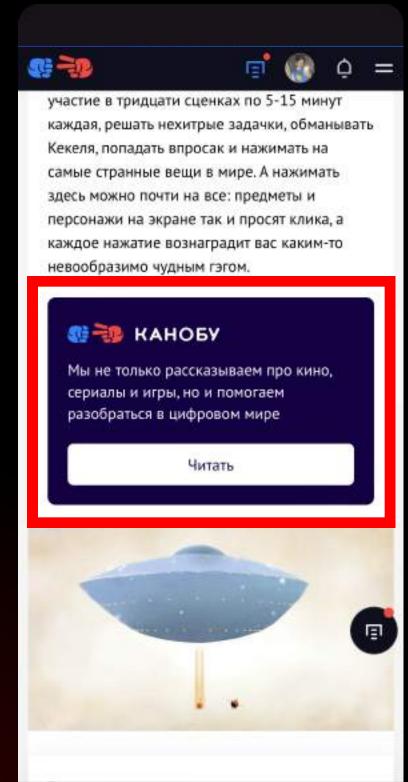

inside the text material. It is possible to

with a logo, text and button, located

add several blocks to a material.

# Desktop

# Native Scroll

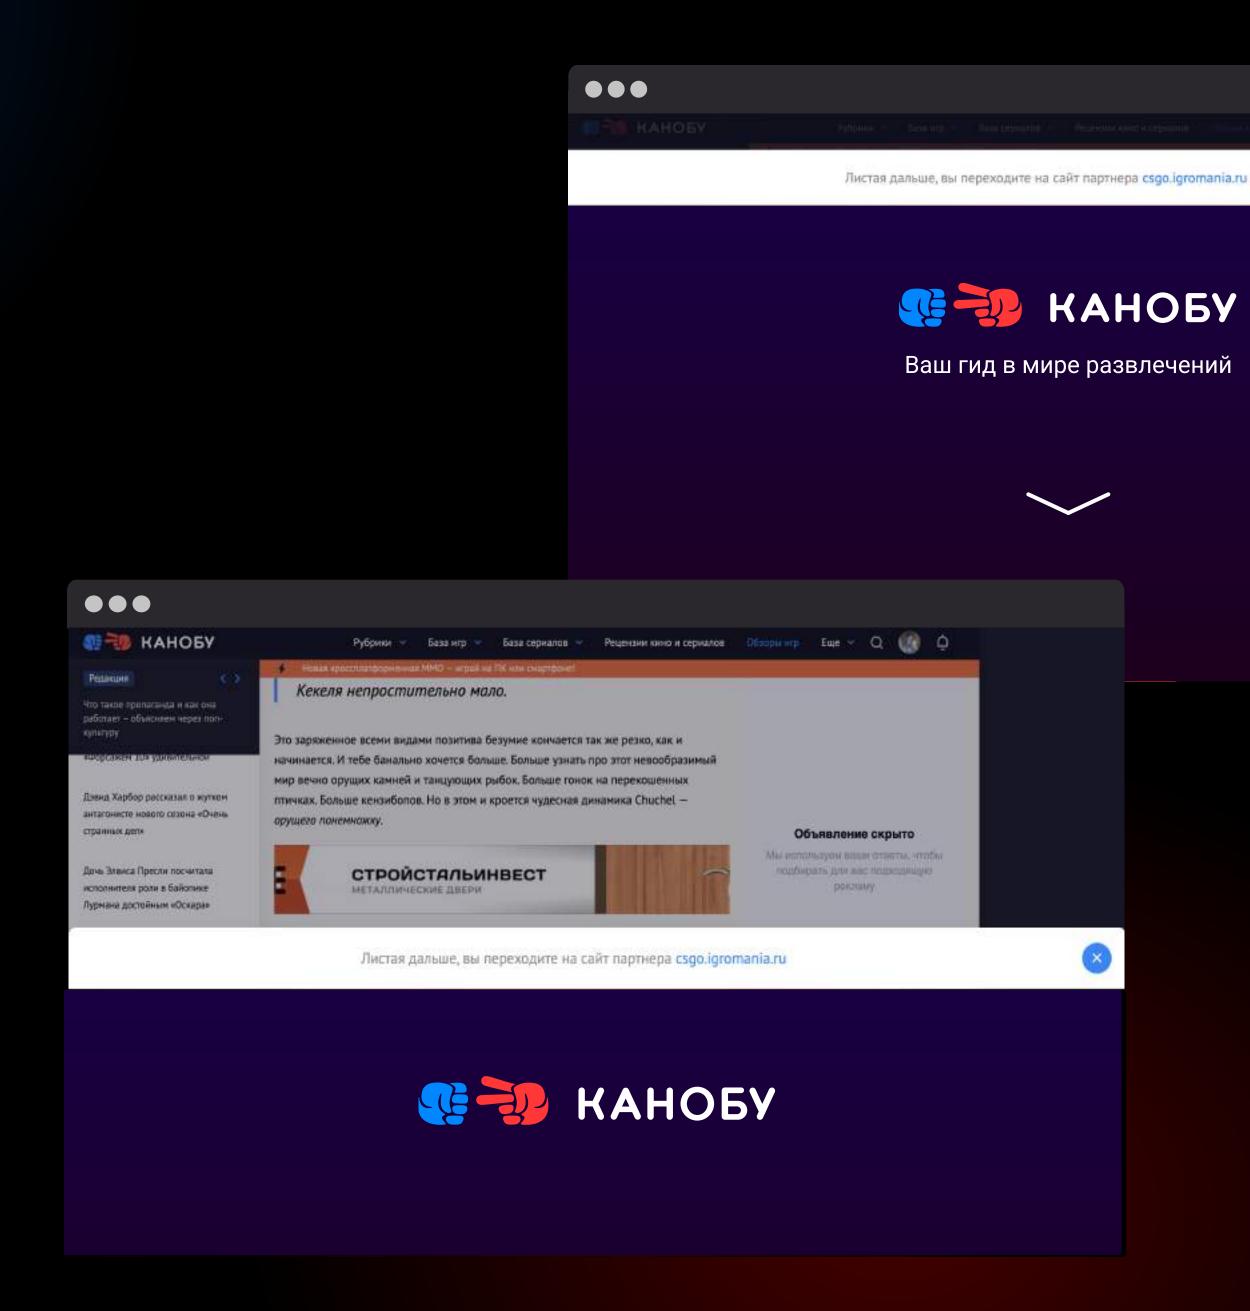

an additional option

Automatic seamless redirection to your site from our site. The person will read the text in Kanobu then he reach the finish of the text, continue scrolling and will lend on your site.

Can be placed in any article or news.

#### Tests

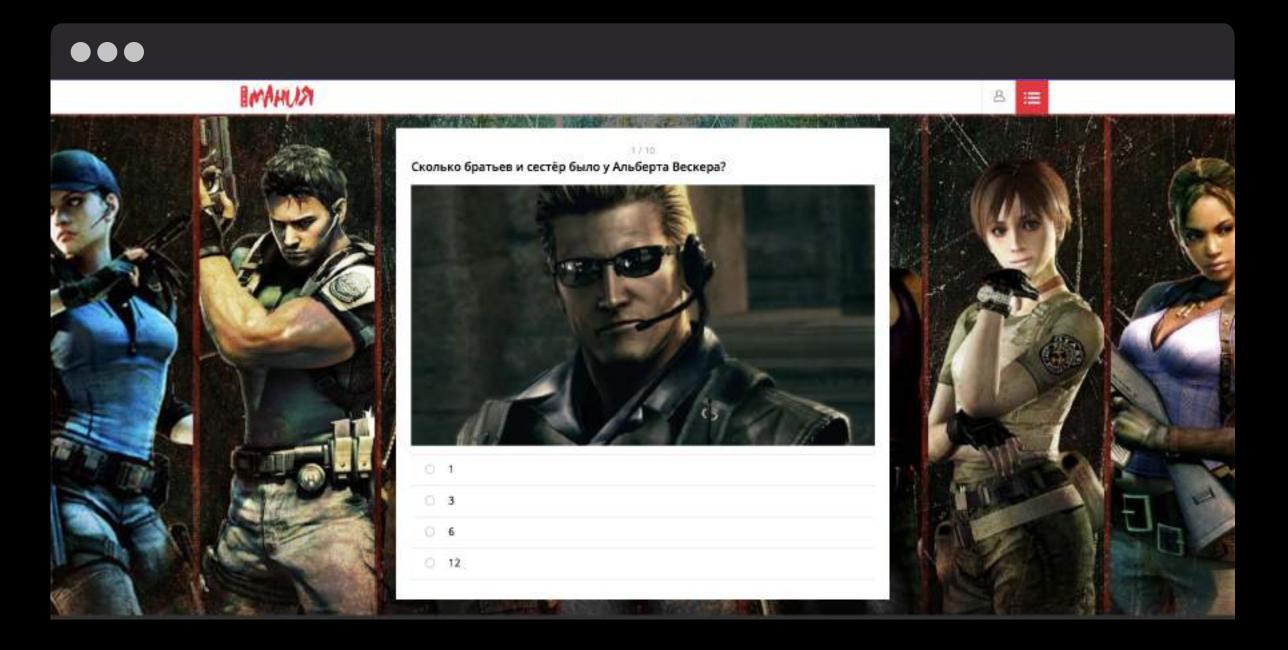

The simplest and most popular game mechanics are A or B, true or not, black or white, warm or soft, and so on. The tests are both entertaining and explaining.

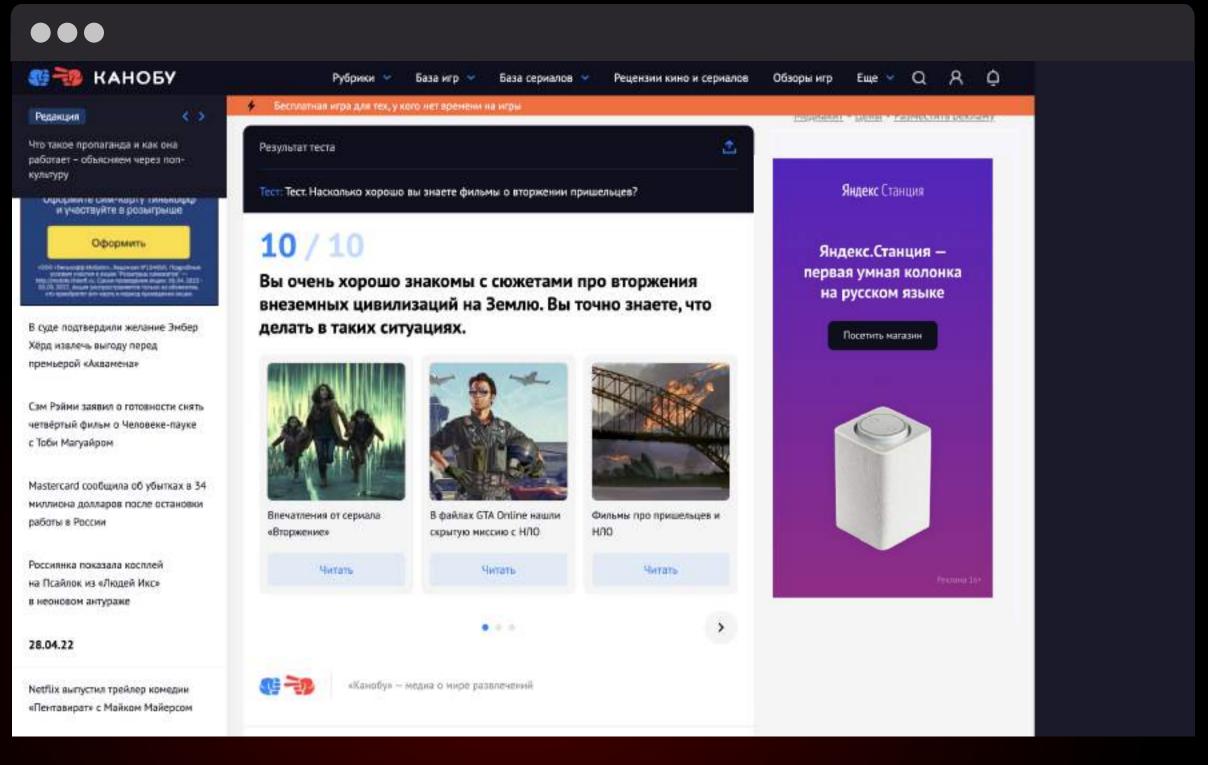

# RUHAMI

- From 20 000 views
- Logo in the header of material, mention in the introduction, 3 links inside
- Logo, slogan, slider with products (Kanobu) into questions and results

- Resident Evil (editorial)
- <u>Uzon</u>
- HP Omen
- Mortal Kombat

#### **Bouncer Tests**

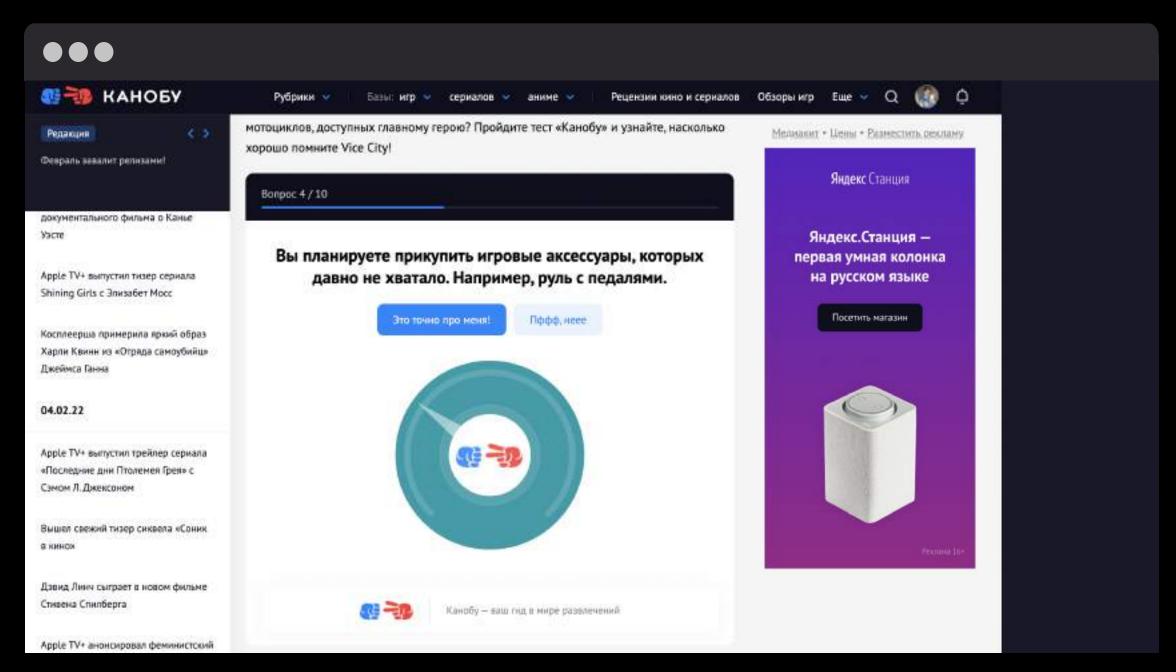

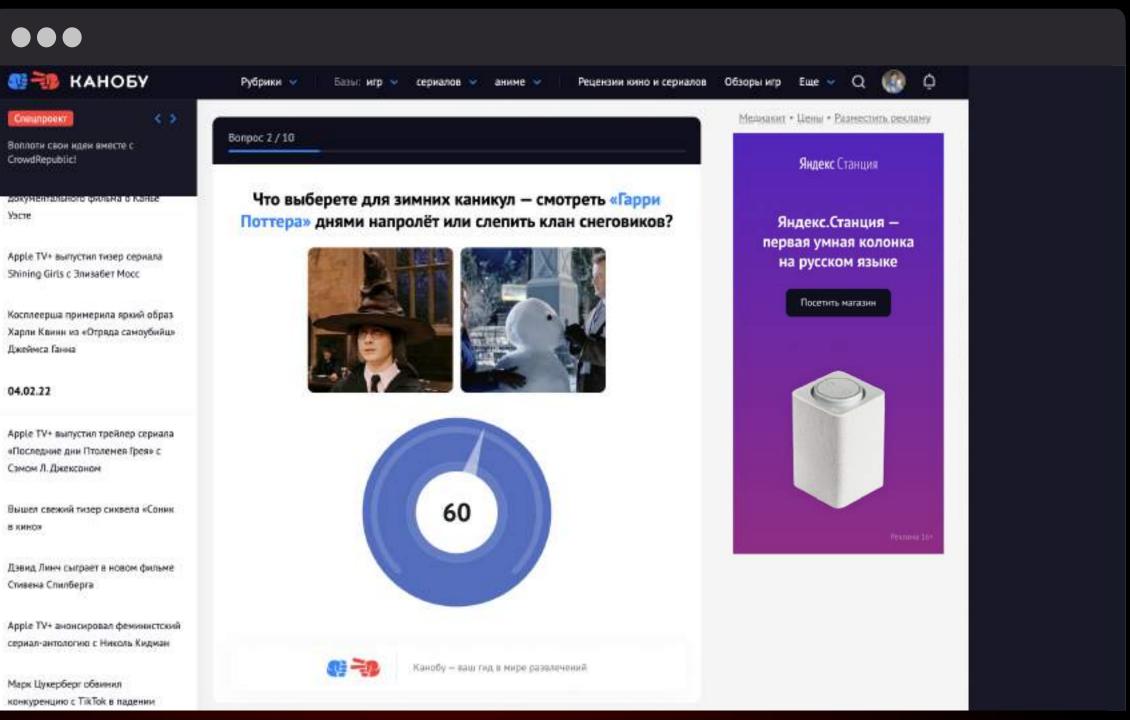

A non-standard game format that helps to demonstrate our users what suits their interests.

ONLY HERE

- Logo in the header of material, mention in the introduction, 3 links inside
- Logo, slogan, slider with products (Kanobu) into questions and results

#### Branded editorial series

A series of editorial content united by one theme that is close to the brand. The project takes a long time and covers a large audience.

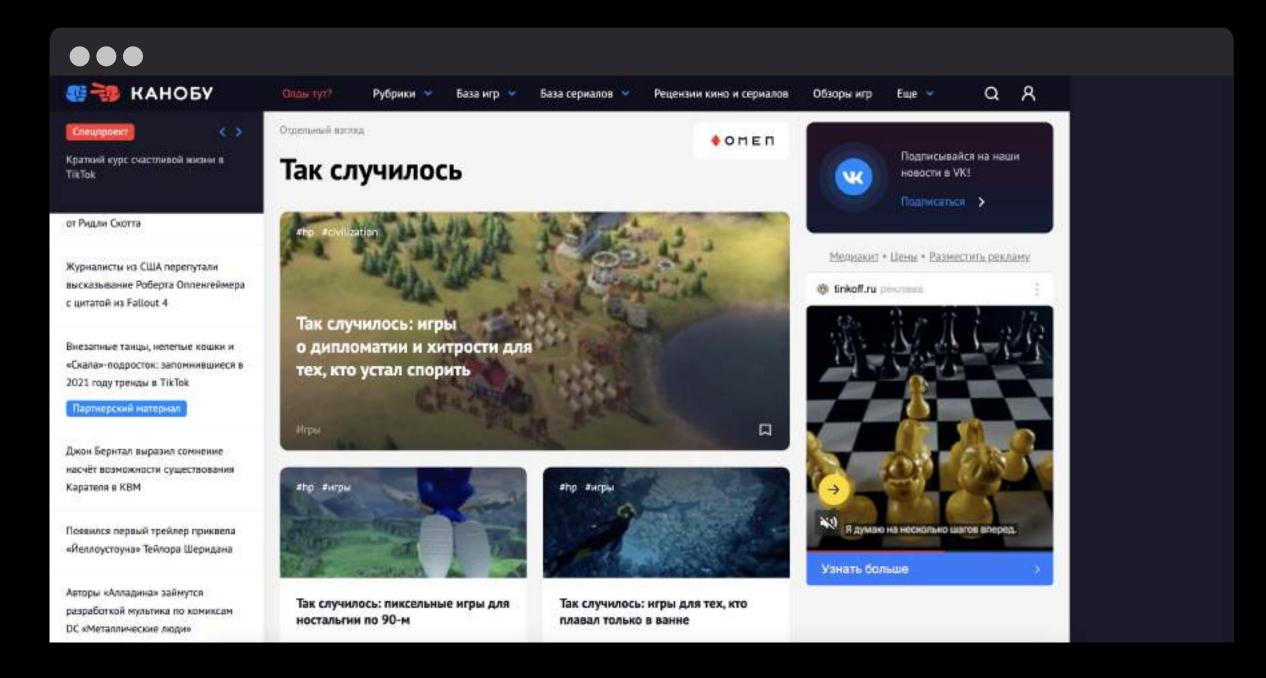

ONLY HERE (UNDER DISCUSSINS)

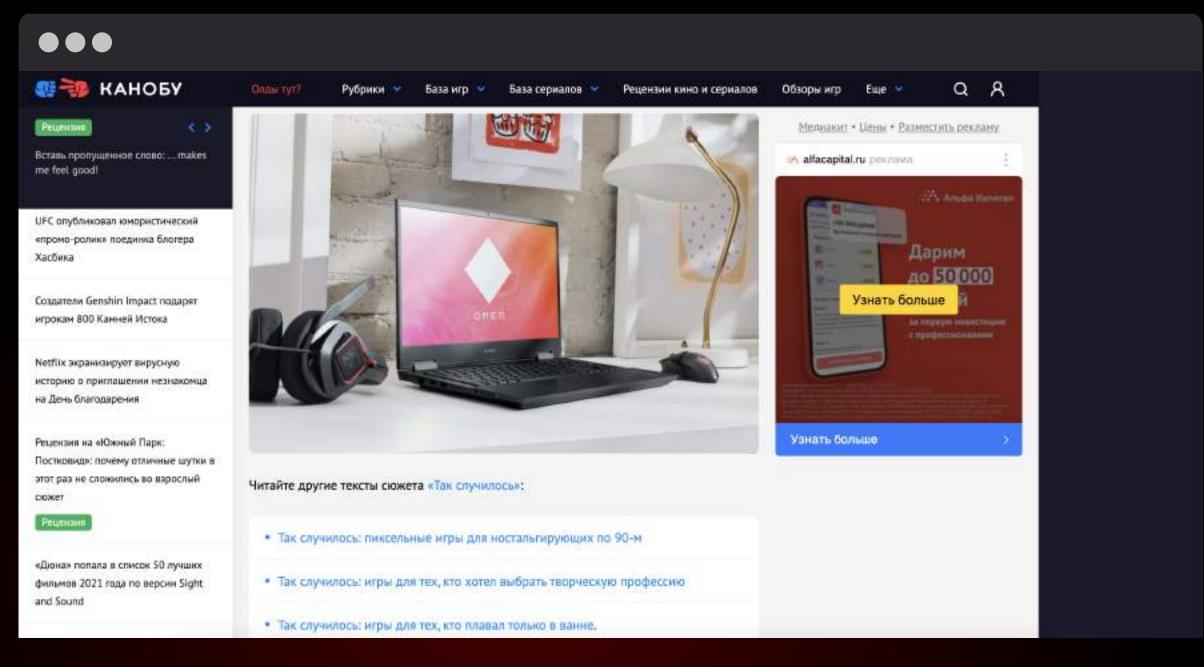

- From 5 publications and more
- From 50 000 views in total
- Each material branded by logo
- We write about you 3-4 times in different parts of each article, test etc.

# Examples:

HP Omen

McDonald's

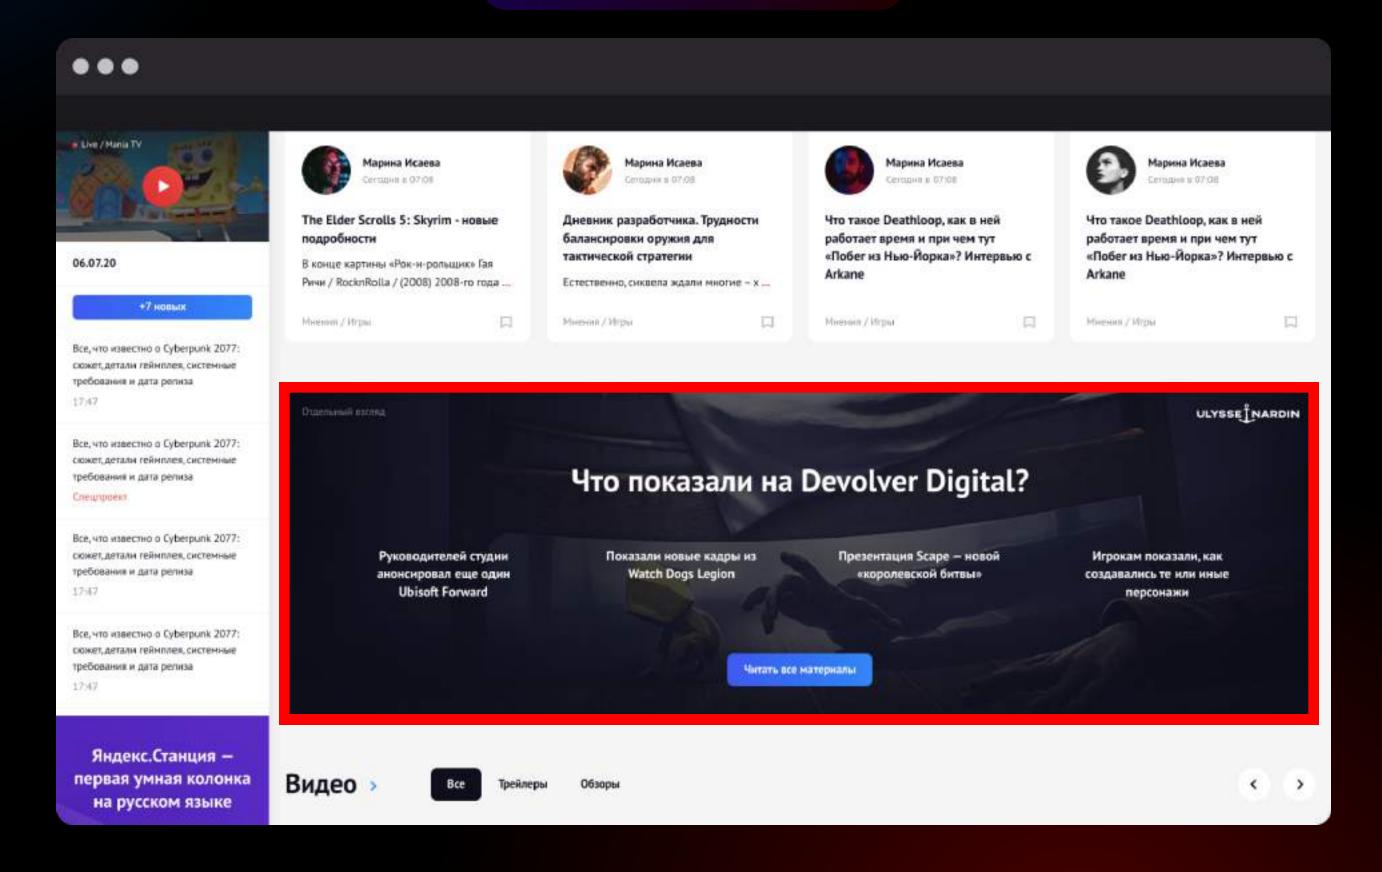

# Branded editorial series — Features of the announcement on the main page of the site

We make one big announcement for all publications in the series, even if the materials are published at different times. There is a partner logo on the announcement.

#### Desktop

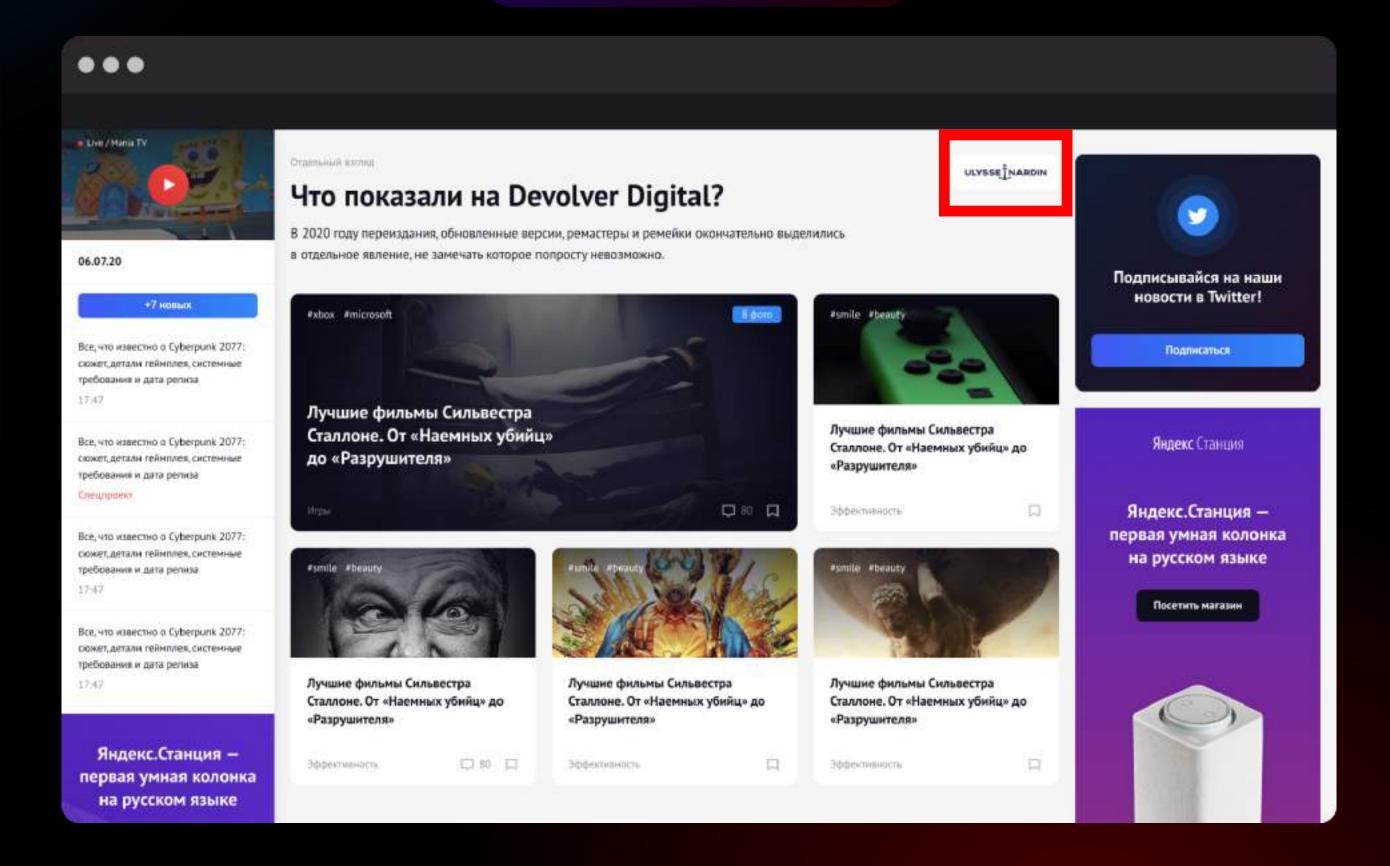

# Branded editorial series — Simple landing page for all publications

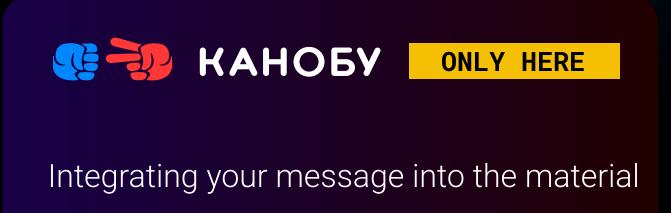

We create a simple landing page with your logo, where we place the announcements of all publications in the series. We can announce this page with various additional editorial tools.

#### Desktop

# What does the announcement of publications on Kanobu look like?

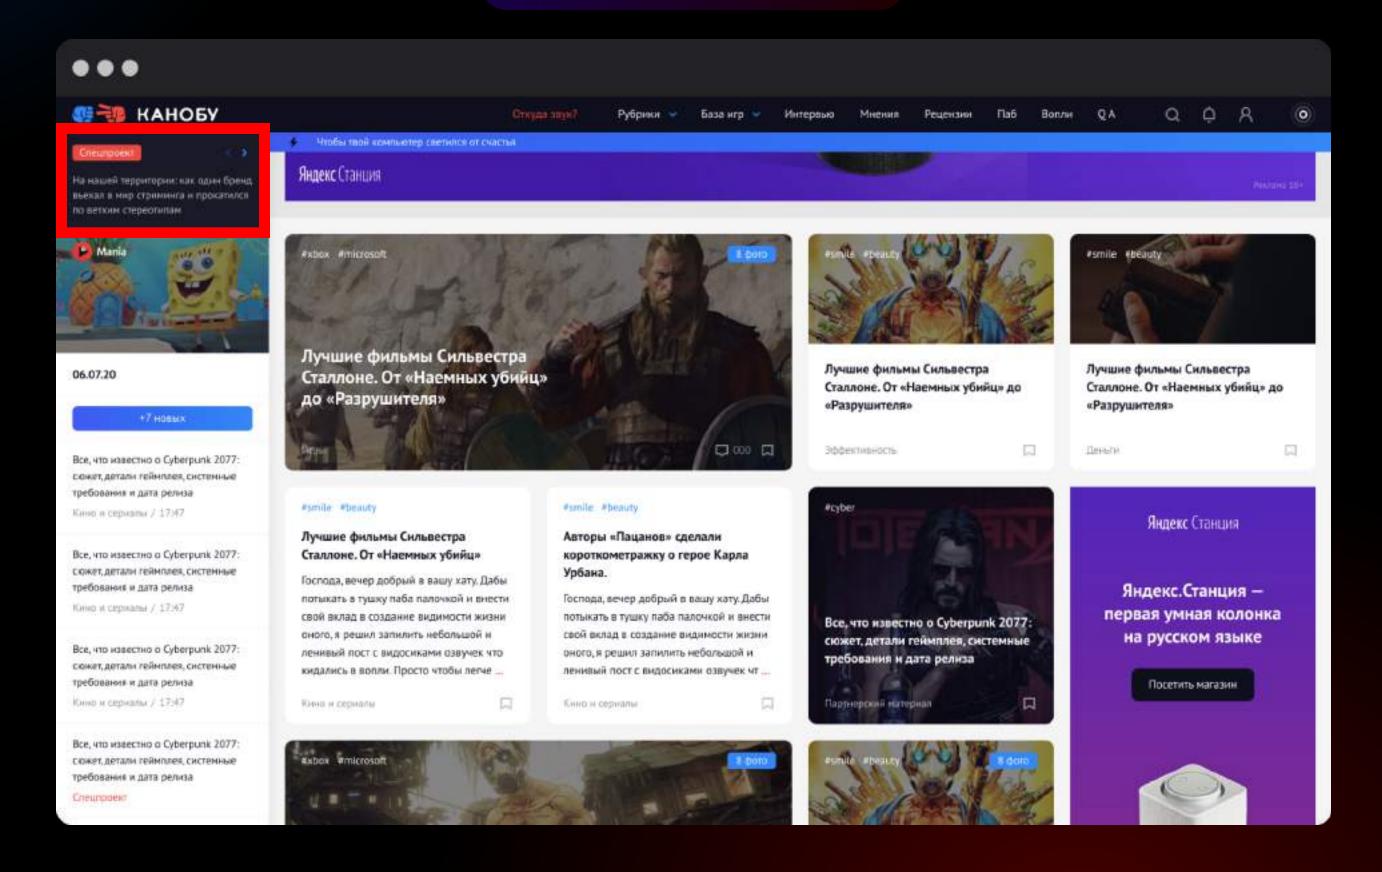

Except for the branded editorial series.

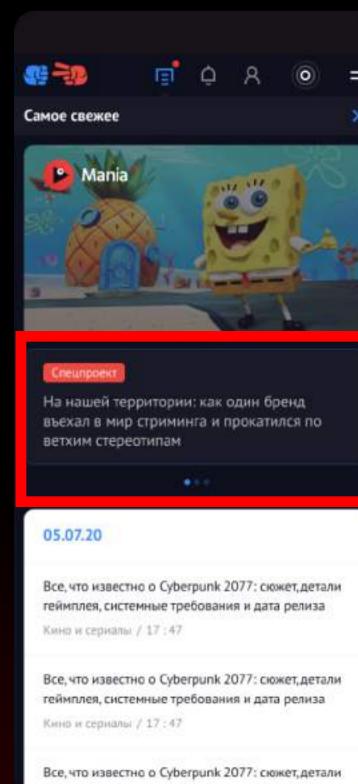

# Announcement in the highlighted block in the news feed

Above the news feed, we add a pinned block. It is seen by all users who visit the site.

# Desktop

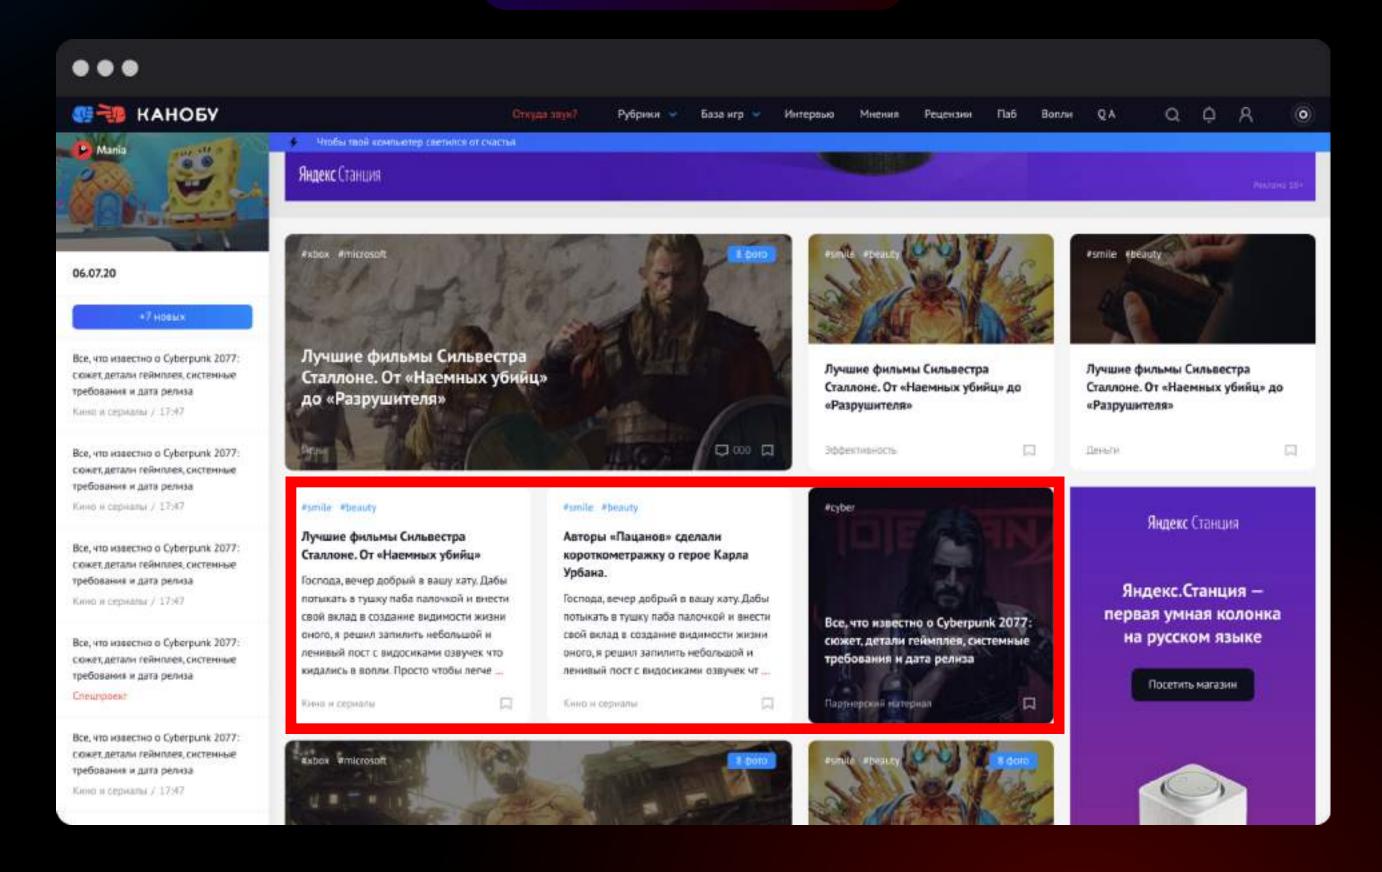

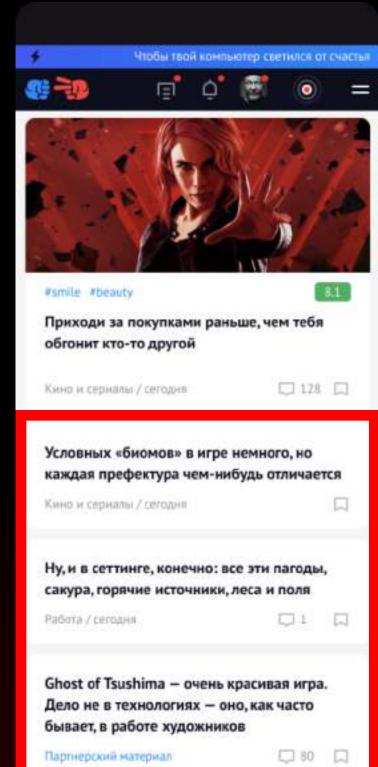

# Standard announcement

Pinning announcements on the main page. Announcements consist of a title and the first picture of the material.

# Desktop

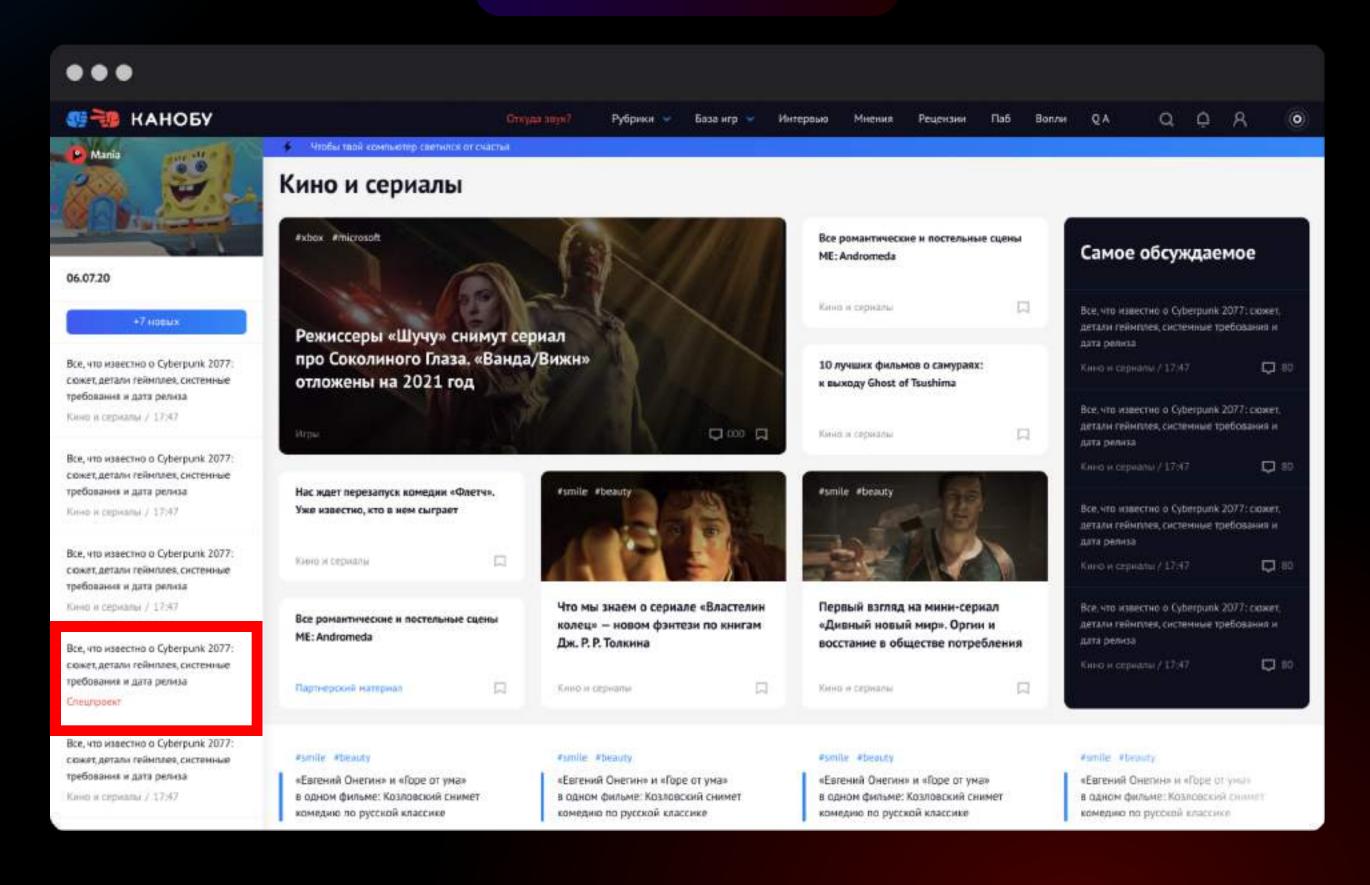

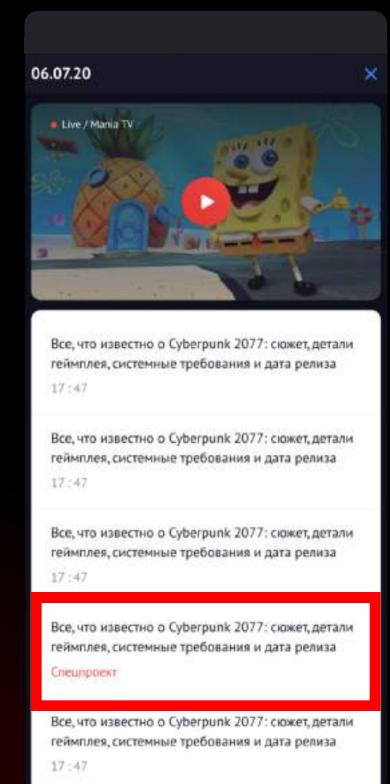

# Announcement of material in the news feed (the so-called waterfall)

The news feed appears on all pages of the site, not only on the home page. The announcement consists of a title.

### Desktop

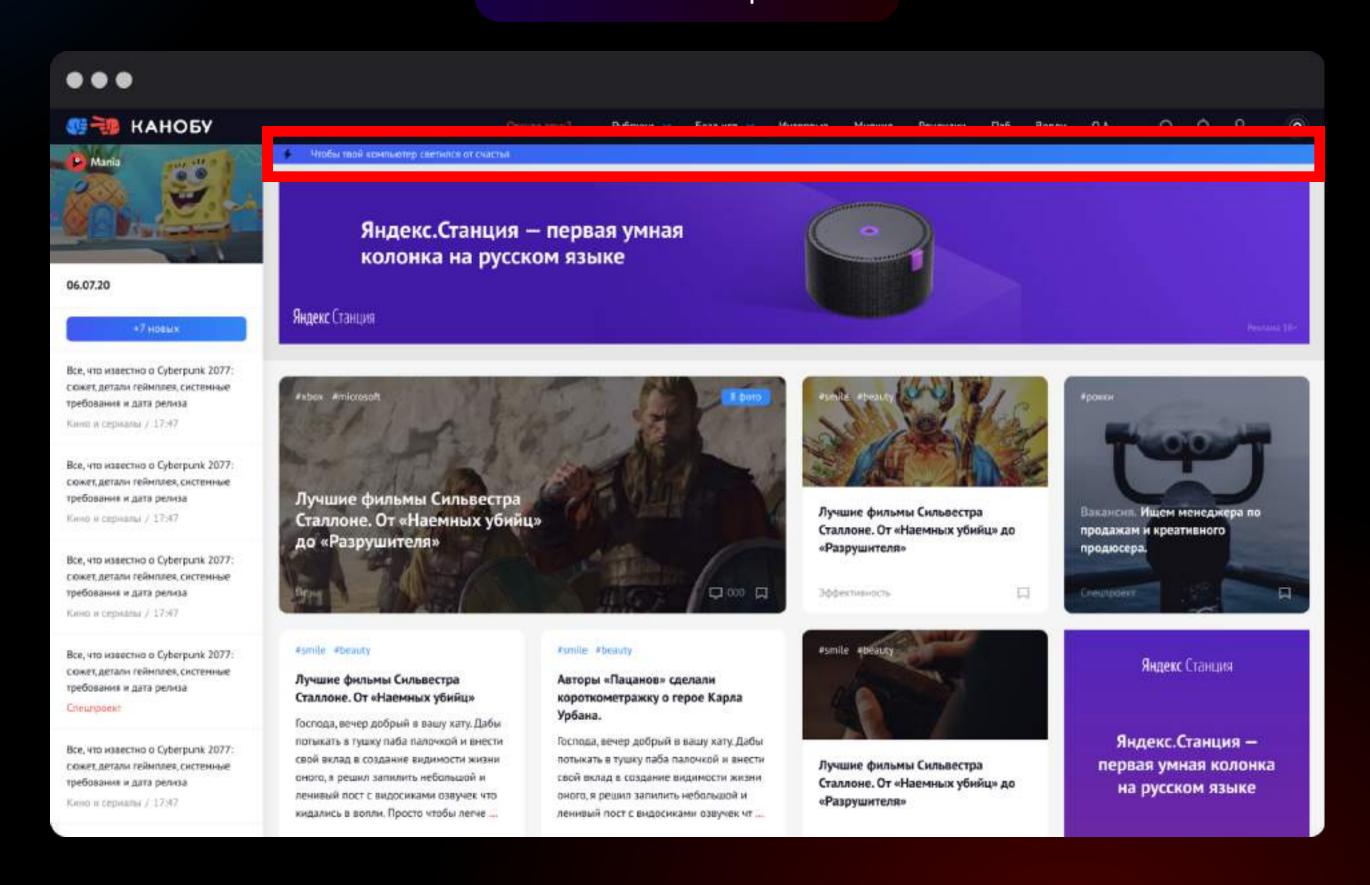

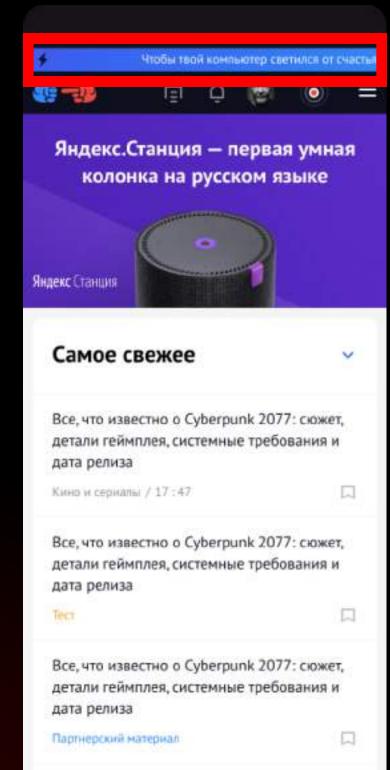

# Anchored end-to-end line at the top of the site

The slogans and headlines announcing your material change regularly on the announcement.

# Desktop

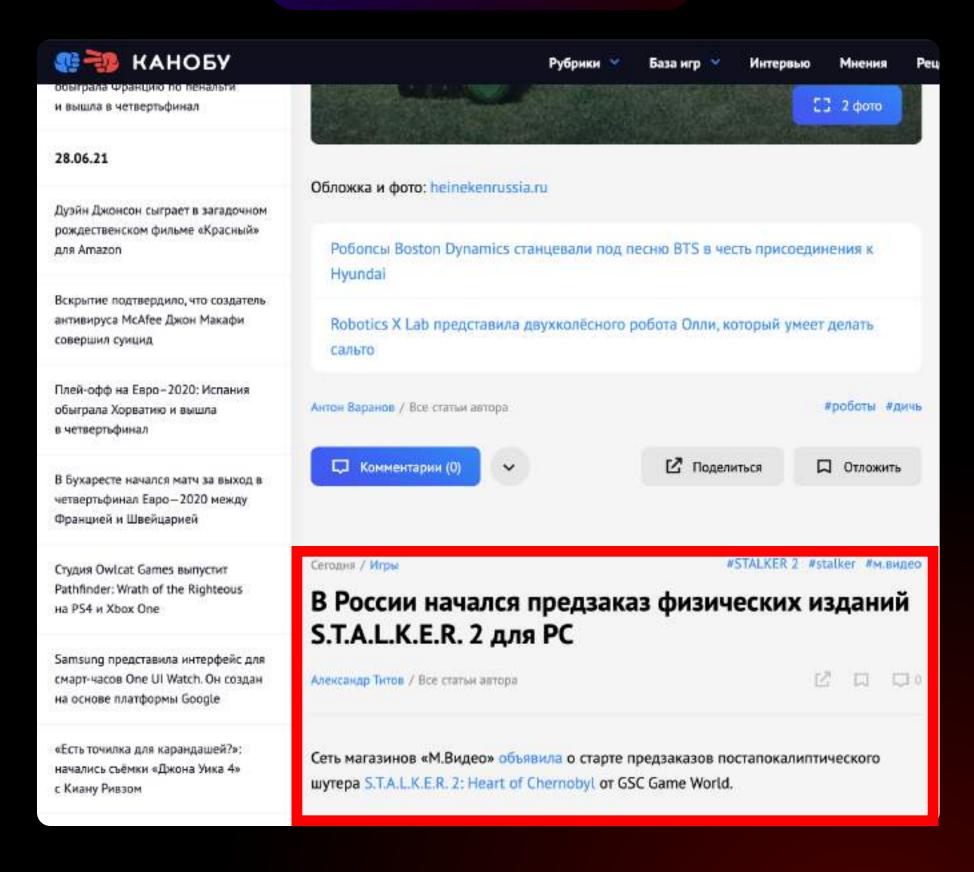

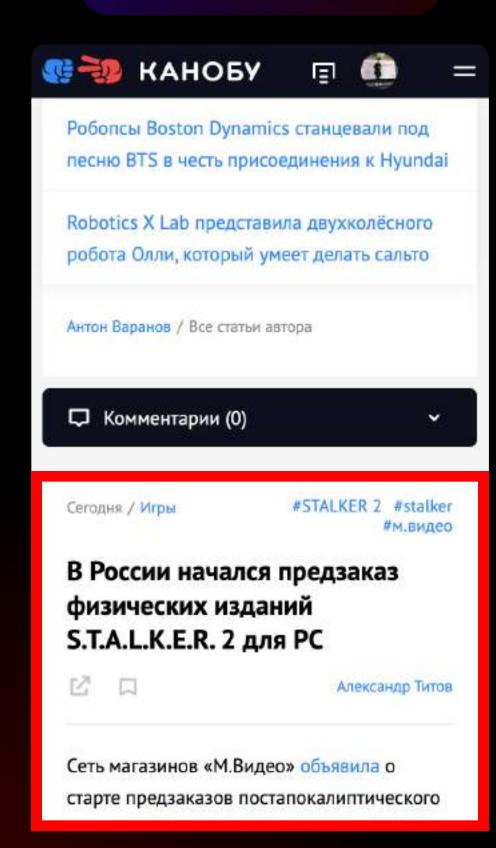

# Announcement under other publications

After a person has read a publication, he can immediately start reading your material under it.

# Desktop

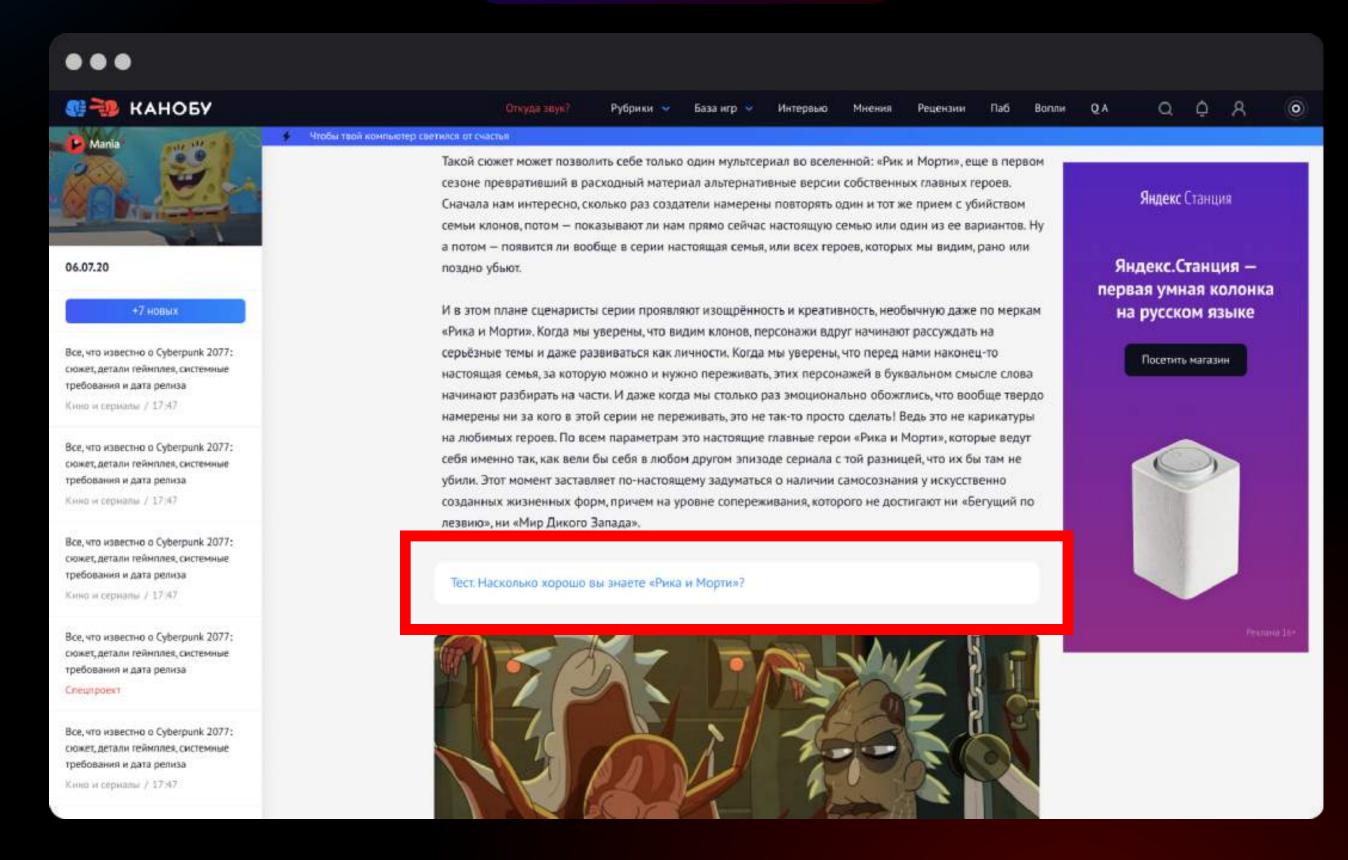

### Announcement in editorial materials

Recommendations in editorial materials on desktop and mobile versions of the site.

# Desktop

### Mobile

Чтобы твой компьютер светился от счастыя

Сначала нам интересно, сколько раз создатели намерены повторять один и тот же прием с убийством семьи клонов, потом — показывают ли нам прямо сейчас настоящую семью или один из ее вариантов. Ну а потом — появится ли вообще в серии настоящая семья, или всех героев, которых мы видим, рано или поздно убьют.

Тест. Насколько хорошо вы знаете «Рика и Морти»?

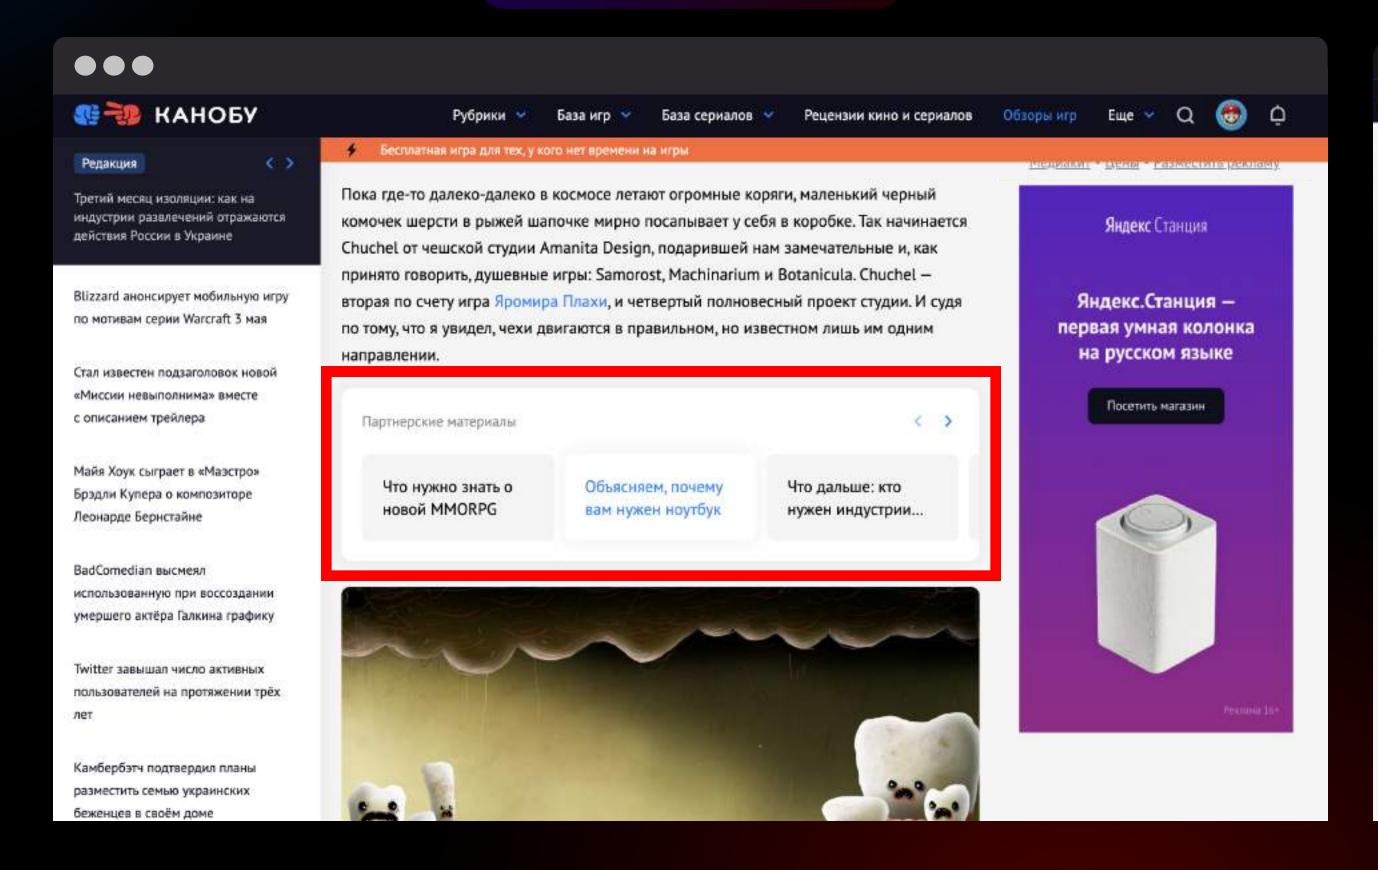

Не вся война клонов анимирована на одном и том же высоком уровне (это один из редких для «Рика и Морти» случаев, когда самым массовым батальным сценам не хватает количества деталей, проработки отдельных участков картинки). Но в лучшие

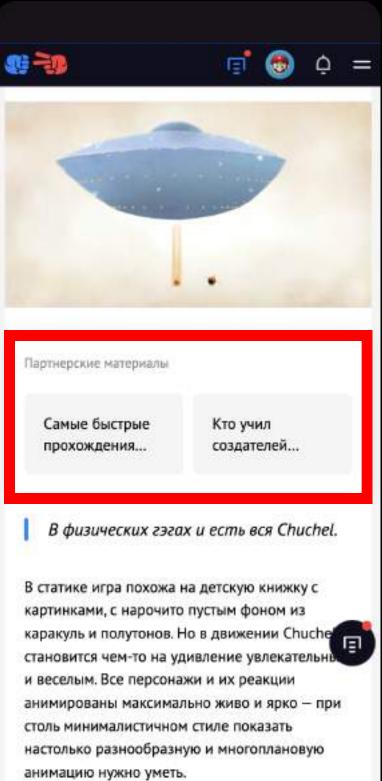

# Slider "Partner materials" in editorial materials

The slider with partner materials will be in editorial materials on desktop and mobile versions of the site.

# Advertising integrations in our YouTube projects

We have over 2 million subscribers on our YouTube channels

Gaming channel

<u>Channel</u> about films

#### The show "ALL IN"

ALL IN is a video digest about the news of games, which is published on the YouTube and in VK Video.

Each episode lasts 5-7 minutes. The presenter talks about game updates, new gadgets and useful services.

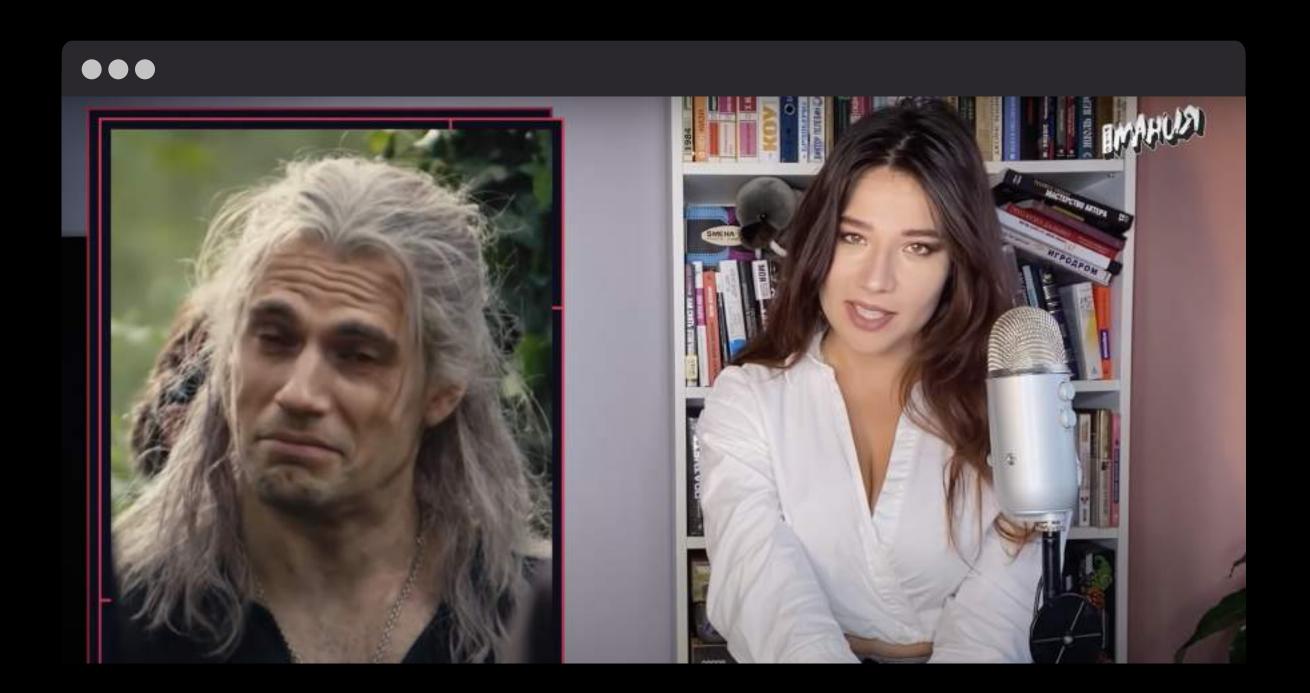

### RUHAMI

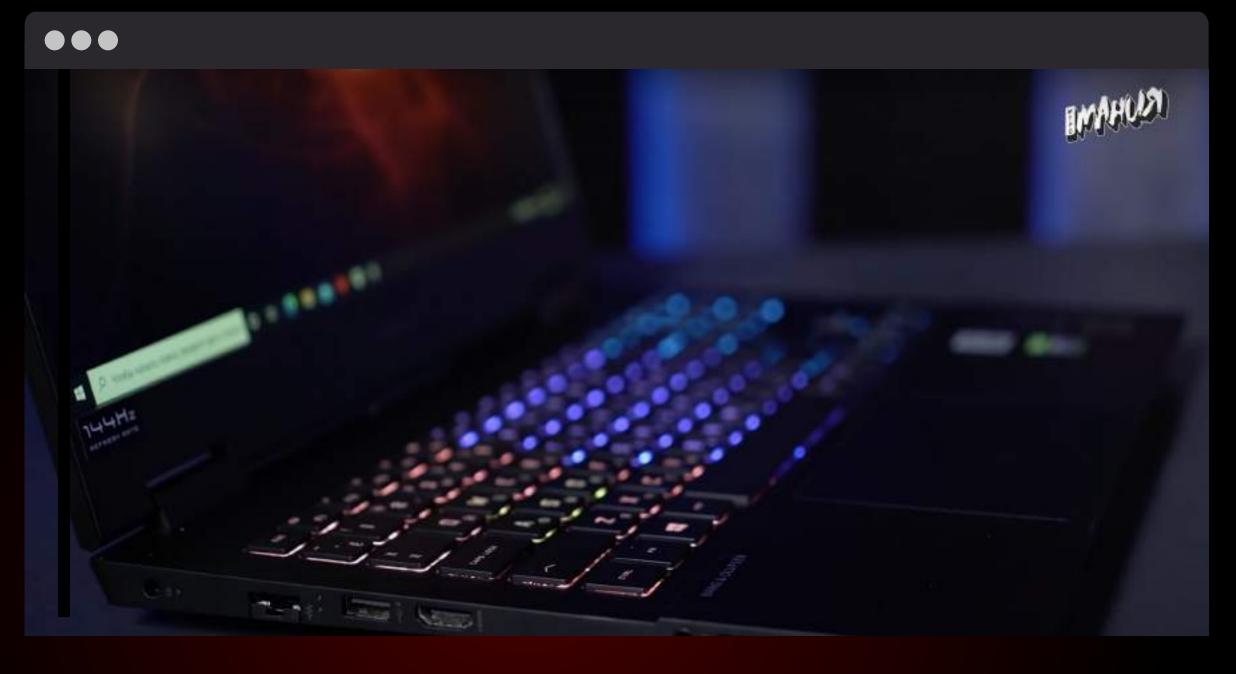

ONLY HERE

- From 70 000 view
- We integrate ads at the beginning of the episode. Advertising lasts up to 1 minute. We agree on the scenario beforehead.

### Examples:

HP • CoD • Bookmate • «Tyry»

### Show "Unpacking"

This is a simpler and faster version of the "Iron Workshop". In the project, we will unpack your new gadget, discuss design and specifications, launch it and test AAA-games and software on it.

Each episode lasts within 6-10 minutes, the video is dubbed by voiceover and published on YouTube and VK Video.

### RUHAMI

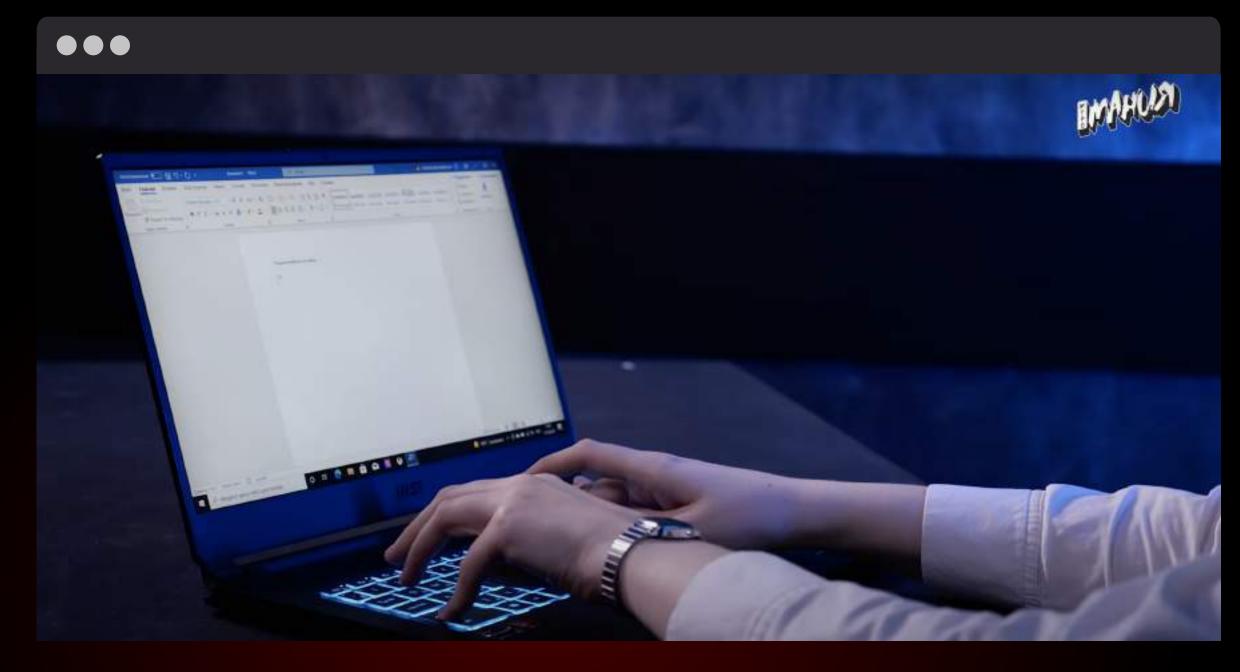

ONLY HERE

- From 40 000 views.
- The project is dedicated to your product. We can add a promo code or something important for you

#### **Examples:**

MSI · Xbox

#### "Game News" and "Cinema News"

Video on our YouTube channels and in VK Video about the main news of the week. Games — separately, movies / serials separately.

Each episode lasts within 10-15 minutes and is dubbed by a voiceover.

### RUHAMI

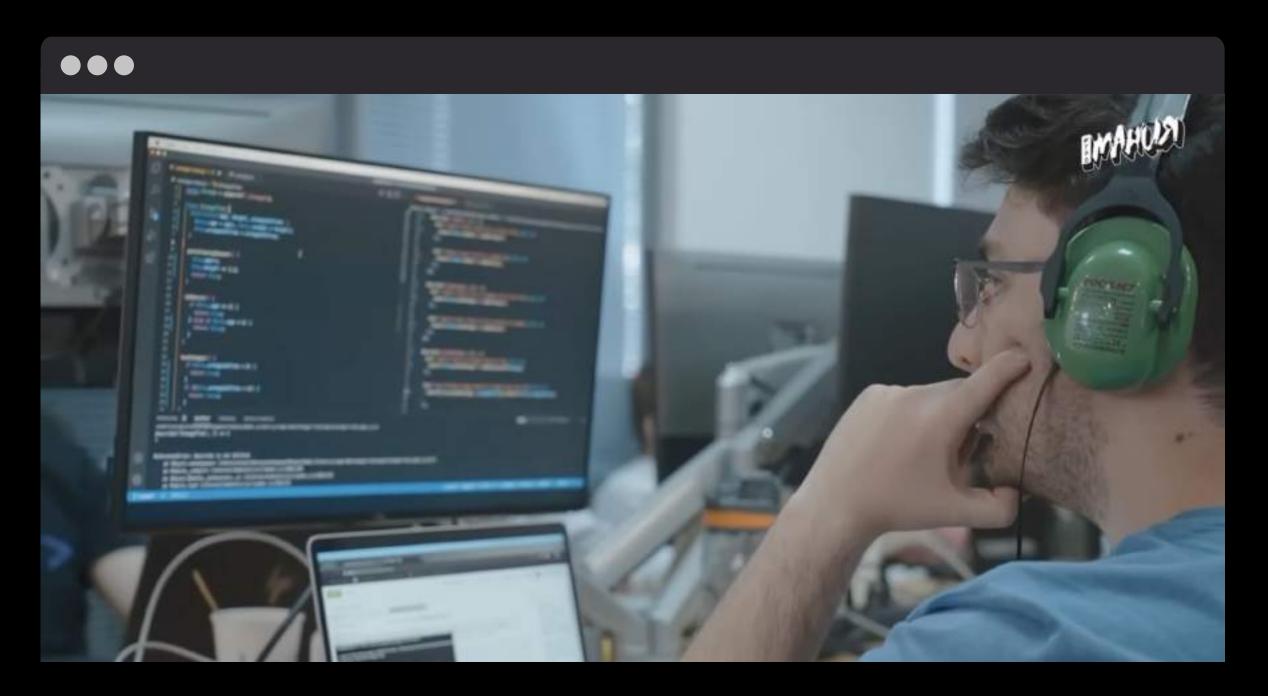

**ONLY HERE** 

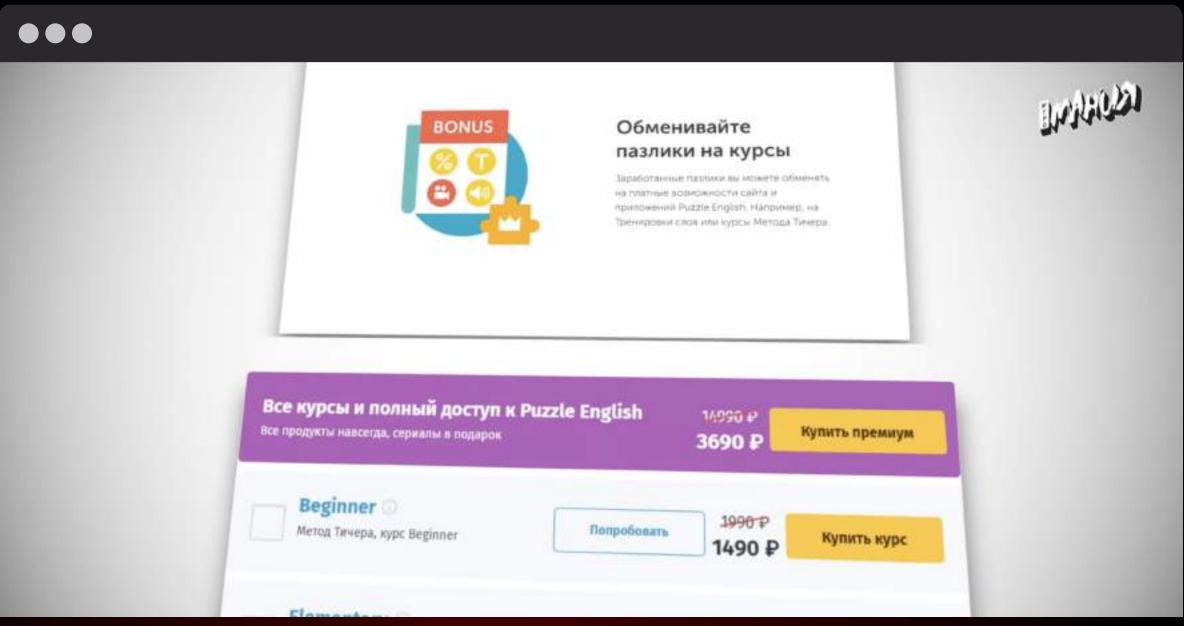

- From 35 000 views.
- We integrate ads at the beginning of the episode. Advertising lasts up to 1 minute. We agree on the scenario beforehead.

#### Examples:

Skillbox

- Puzzle English
- Elbrusboot
- ЦПШ

## ... and our other YouTube ad formats

We can integrate you into shows about top games, news releases, or we can make a special video only about your brand or product.

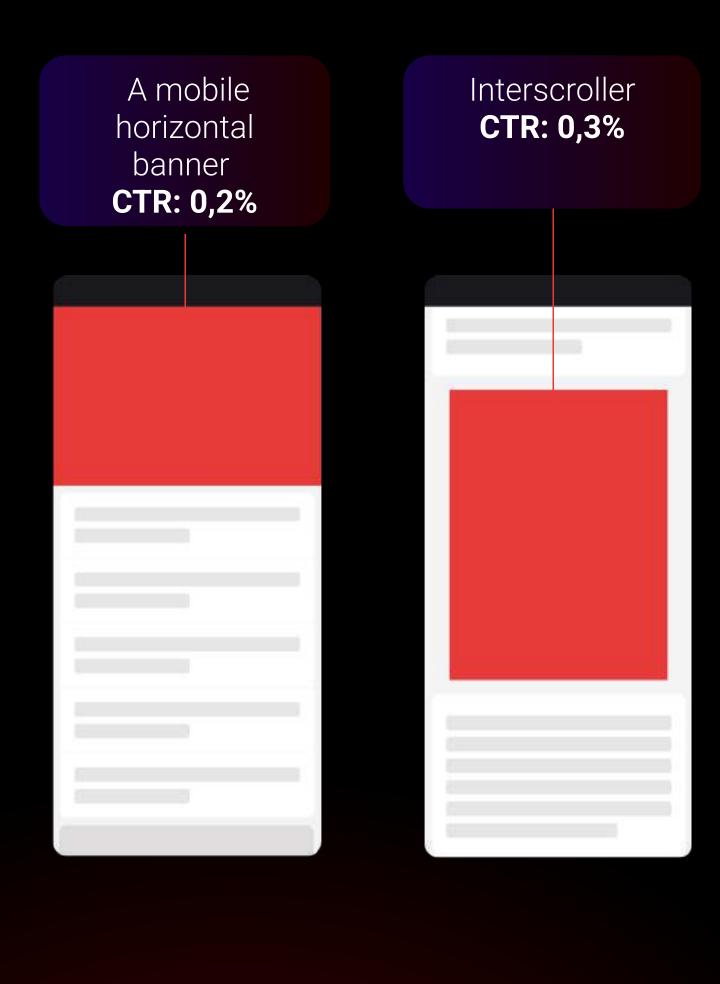

### Banners

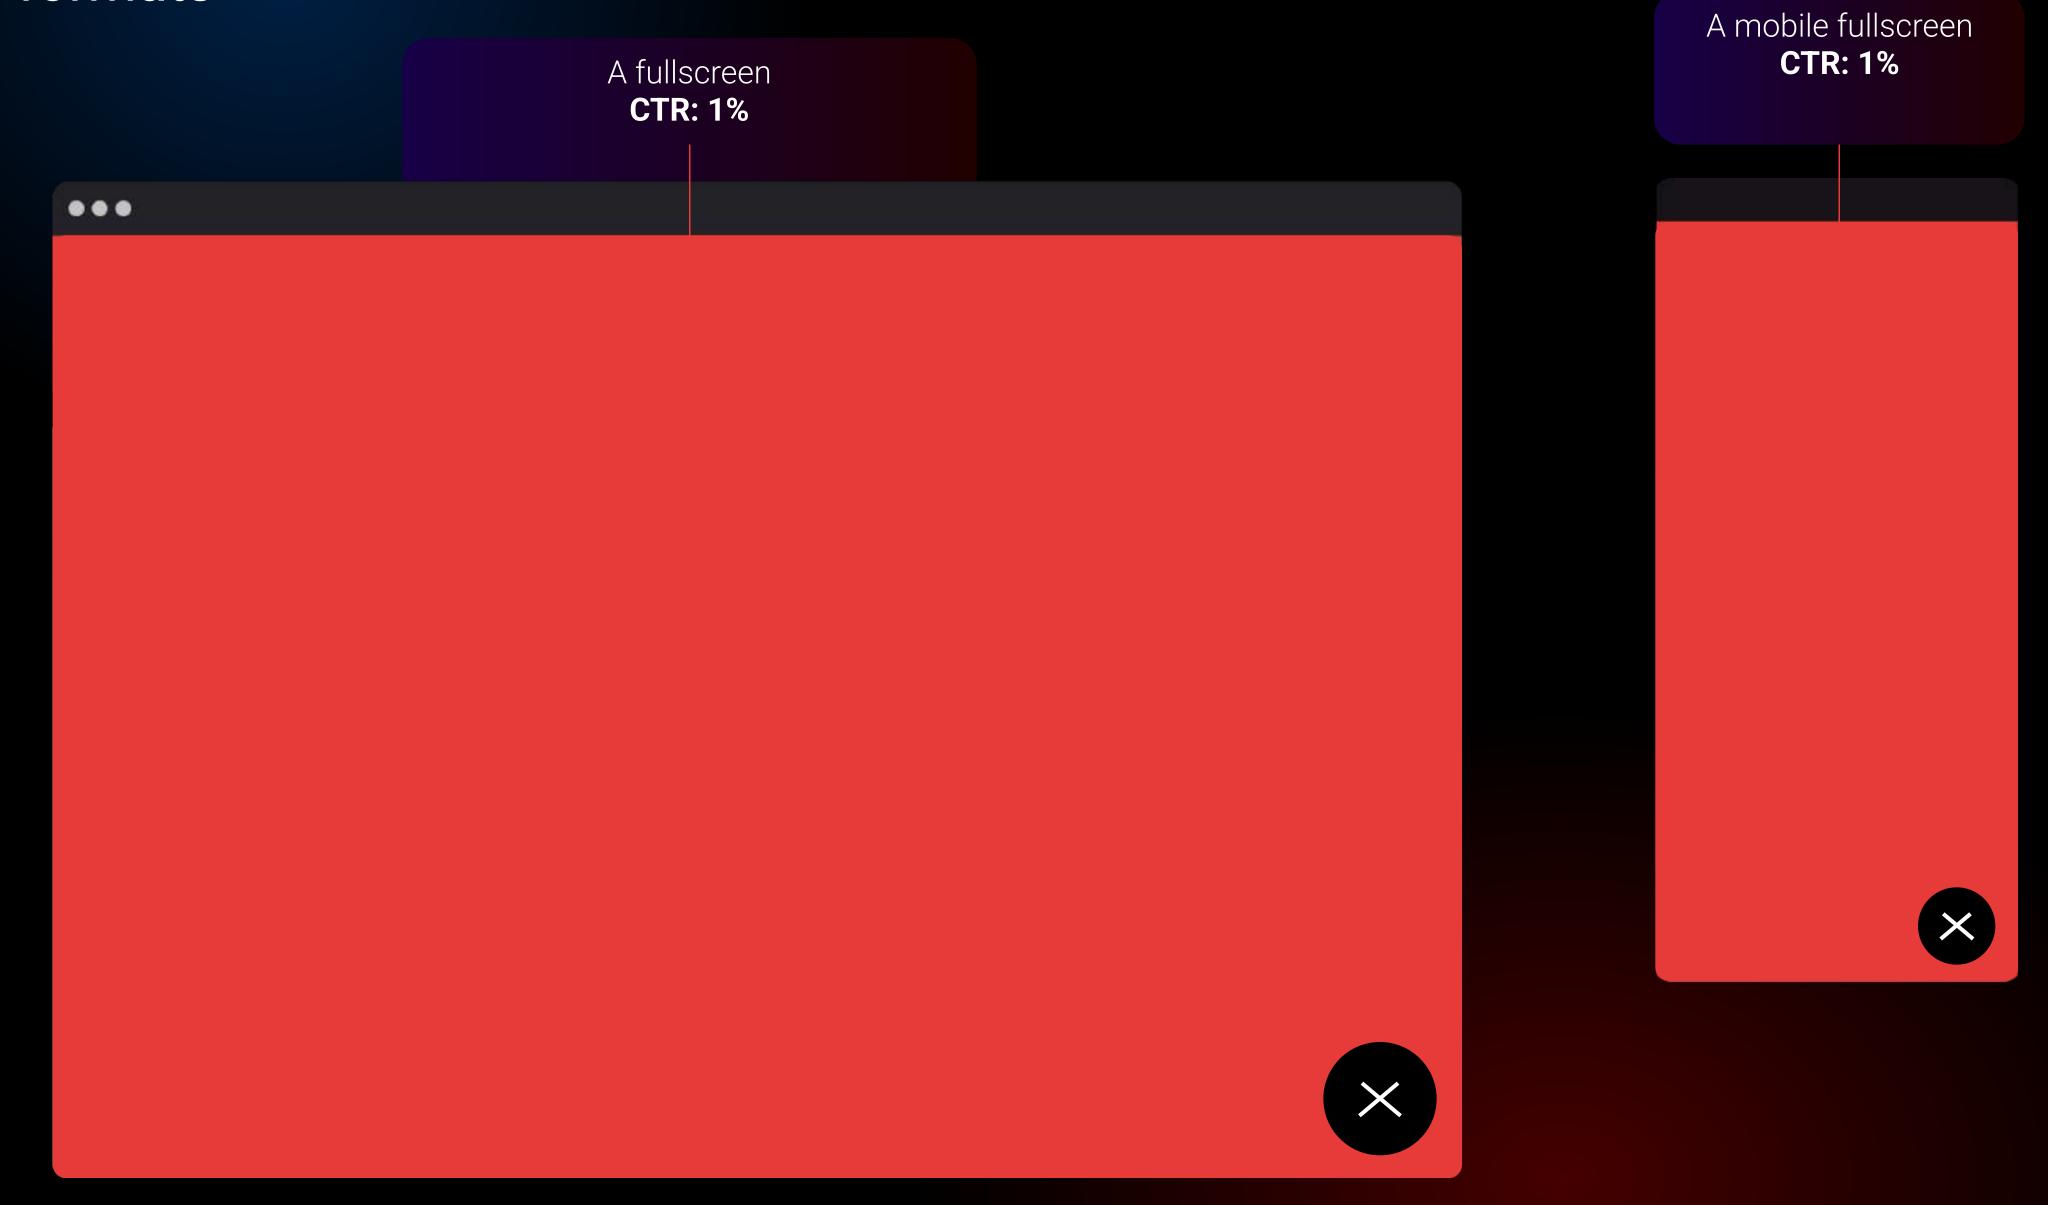

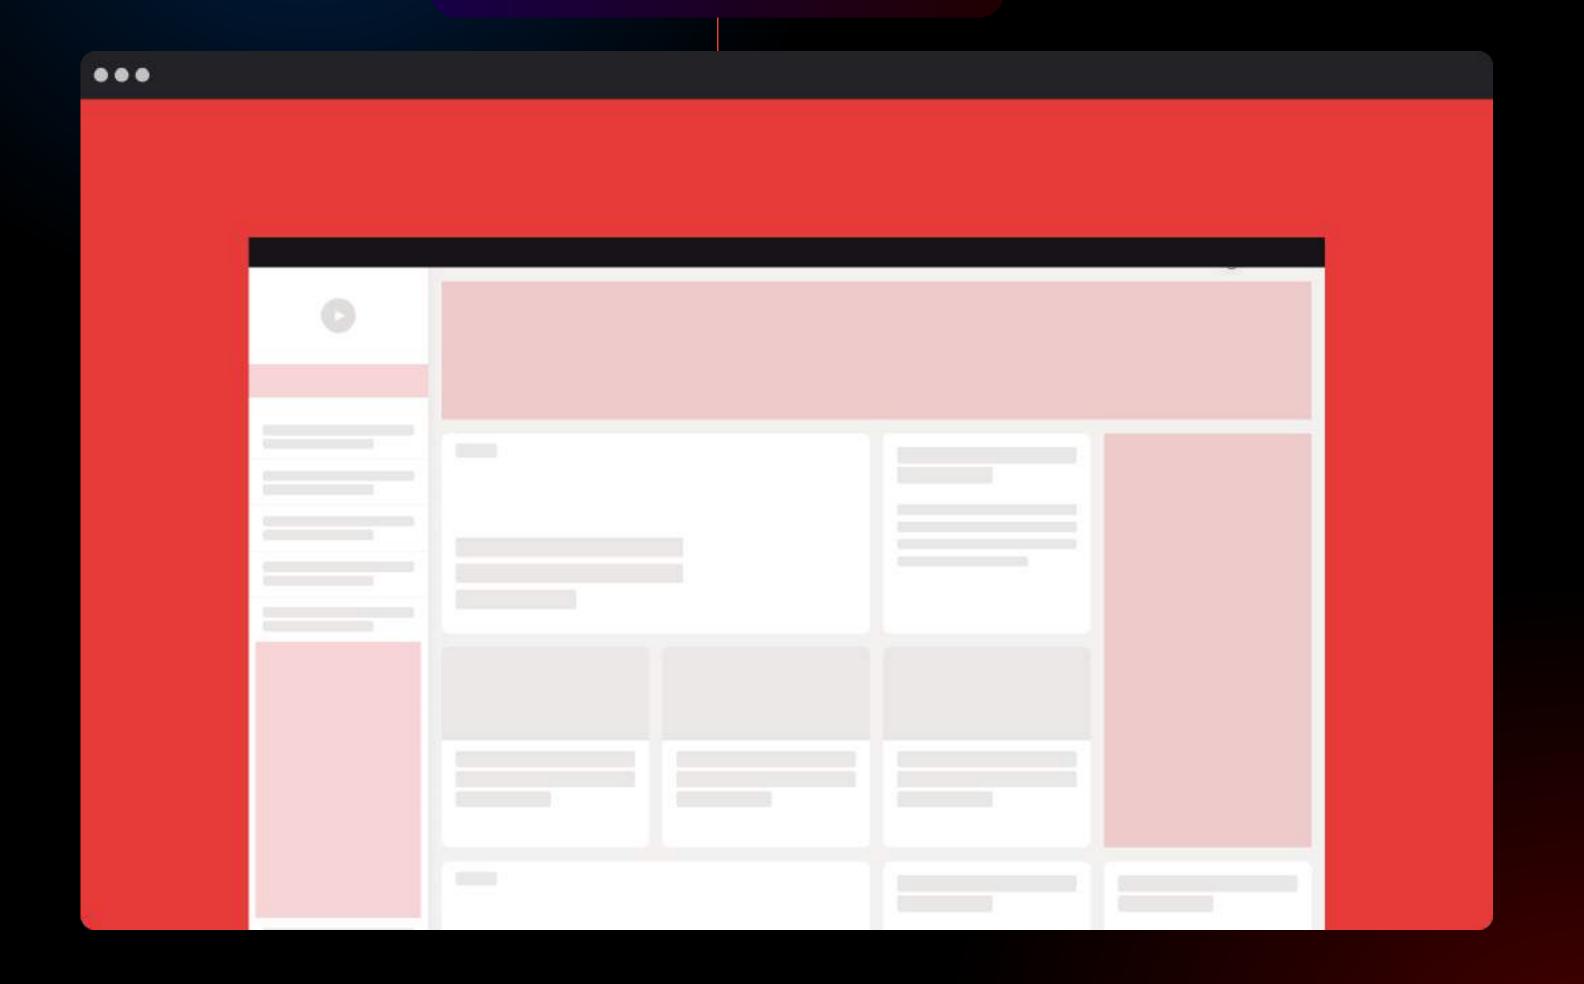

### Banner formats A horizontal banner 1260 x 250 (100% x 250) CTR: 0,2% ... A side banner A banner in the 300 x 600 sidebar CTR: 0,1% 240 x 400
